The Auglaize County Solid Waste Management District processes the recycled materials at the County Recycling Processing Center on Saint Marys River Road in Saint Marys, Ohio. The money from the material that is sold is paid back to the various volunteer groups that man the drop-off locations. Recycling not only helps the environment, but also helps raise money for the volunteer groups in your communities. For more information, contact the Auglaize County Solid Waste District at 419/394-1270.
