**NOTICE OF FIRST PUBLIC HEARING
FY2014 COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) PROGRAM**

The Auglaize County Board of Commissioners intends to make application to the Ohio Development Services Agency (ODSA) Office of Community Development to access approximately \$40 million of funding available under the Fiscal Year 2014 Community Development Block Grant (CDBG) Small Cities Program, a federally-funded program administered by the State of Ohio.

The County, including the Cities of St. Marys and Wapakoneta, is eligible for approximately \$102,000 of CDBG Community Development (Formula Allocation) Program funds; up to \$300,000 of each of three competitive set-aside programs—Downtown Revitalization, Neighborhood Revitalization, and Critical Infrastructure Investment; and up to \$400,000 of CHIP funding, providing the County meets applicable program requirements.

CDBG Community Development Formula Allocation funding requests from eligible county entities are due to the Board of Commissioners Office by April 16, 2014. Projects will be reviewed, ranked, and selected based on: compliance with a CDBG National Objective; inclusion in the Auglaize County Community Assessment & Strategy (CAS); application completeness; number of beneficiaries served; and number of previous awards. The County's Community Development application to ODSA is tentatively due June 20, 2014.

Auglaize County (and its cities and villages) may apply for funding under the following programs:

Community Development Program
Community Housing Improvement Program (CHIP)
Economic Development Loan & Public Infrastructure Program
Fair Housing-New Horizon Fair Housing Assistance Program
Housing Opportunities for Persons With AIDs (HOPWA) Program
Residential Public Infrastructure Grant Program
Supportive Housing, Homeless Crisis Response, & Housing Assistance Grant Programs
And Any/New Programs Announced Under the CDBG, HOME, and OHTF Programs

The first of the required two public hearings for this comprehensive grant program will be convened in the Auglaize County Board of Commissioners Chambers located in the County Administration Building, 209 South Blackhoof Street, Second Floor-Room 201, Wapakoneta, Ohio 45895, an ADA-accessible facility. The hearing shall commence at 10:00 a.m. on Monday, March 3, 2014, to provide citizens with pertinent information about the CDBG program, including an explanation of eligible activities and program requirements.

The CDBG program can fund a broad range of activities, including: economic development projects; planning activities; street improvements; water supply, drainage and sanitary sewer improvements; park acquisitions and improvements; demolition of unsafe structures; rehabilitation of housing and neighborhood facilities.

The activities must be designed to meet one of the CDBG National Objectives to primarily benefit low and moderate income persons, or aid in the prevention or elimination of slums and blight, or meet an urgent need of the community, and also comply with the applicable Program Objectives as outlined in the Ohio Consolidated Plan.

Citizens are encouraged to attend this public hearing to provide their input on the Auglaize County's CDBG program. Should any participant require auxiliary aids due to disability or non-English languages, please contact this office at least one week prior to the hearing date to ensure needs will be accommodated.
