

**AUGLAIZE COUNTY EMERGENCY OPERATIONS PLAN
PROMULGATION STATEMENT – RESOLUTION**

WHEREAS the primary role of a government is to provide for the general welfare of its citizens. Preparedness to cope with the effects of a disaster includes many diverse but interrelated elements which must be woven into an integrated emergency management system involving all departments of local government and private support agencies, as well as the individual citizen.

AND WHEREAS planning for population protection must be a cooperative effort to avert or minimize the effects of natural, technological, and/or man-made disasters; protect lives and property; and restore the stricken area to its pre-disaster status with a minimum of social and economic disruption.

SO AS A RESULT, pursuant to the State Emergency Services Act (Ohio Revised Code, Sections 5502.22 and 3760, as amended) Auglaize County has established the Auglaize County Office of Homeland Security and Emergency Management (ACHSEM), and that the ACHSEM is, to the limits of its capabilities, responsible for the disaster preparedness activities within Auglaize County.

AND WHEREAS the *Auglaize County Emergency Operations Plan* was developed to be responsive to federal requirements contained in the National Incident Management System (NIMS) and is subject to approval by the State of Ohio and the Federal Emergency Management Agency (FEMA).

NOW THEREFORE IT IS RESOLVED, ORDERED AND DETERMINED, that the Auglaize County Commission does hereby approve and adopt the *Auglaize County Emergency Operations Plan*, which is filed in the Office of the Auglaize County Commission at the Courthouse in Wapakoneta, Ohio, and which is incorporated herein by this reference.
