\*\*\*\*\*

The Board of Auglaize County Commissioners met in regular session on the 30th day of October, 2014.

Commissioner Regula moved the adoption of the following

**RESOLUTION**

**WHEREAS**, pursuant of Resolution #14-289, dated June 10, 2014, the Engineer's Reports on the Adams Ditch Project were due to the Board of County Commissioners on this date, November 13, 2014; and,

**WHEREAS**, a Request for Extension of time to complete survey, reports and schedules by the County Engineer was submitted to the Board of County Commissioners by Assistant County Engineer Kevin Schnell with the following content:

In the matter of the Adams County Ditch  
Petitioned for by Melinda Schneider

To the Board of County Commissioners:

By reason of the pressure of other work, and the summer construction season, I find it difficult to complete the survey, reports and schedules of the above named improvement within the time prescribed by your order of the 10<sup>th</sup> day of June, 2014, and I therefore respectfully request an extension of time within which to complete same.

All of the field survey work has been completed this past spring immediately after the 1<sup>st</sup> Hearing, and before crops were planted in the farm fields.

I have personally probed out and located the 2 tile mains that run from their outlets at the Auglaize River, thence running upstream to the West and Northwest in Interstate I-75.

I request an extension until April 2, 2015, in order to complete the design, construction plans, and engineer's report over the upcoming winter months.

Respectfully submitted,

s/Kevin Schnell  
Kevin Schnell  
Asst. County Engineer

**THEREFORE, BE IT RESOLVED** that the Board of County Commissioners, Auglaize County, Ohio, does hereby grant the extension of time for the completion and submittal of the Engineer's Reports for the Adams County Ditch to April 2, 2015 at 9:00 a.m. for reasons so above stated.
