

Bid Proposal

2026 Auglaize County Bridge Paving Program

Time & Location of Bid:

11:00 a.m., March 26, 2026

Auglaize County Commissioners' Office, Administration Building,
209 South Blackhoof Street, Suite 209
Wapakoneta, Ohio 45895

Project Details:

Auglaize County is accepting bids for resurfacing various County bridge decks and approaches with asphalt concrete in accordance with the plans and specifications as further detailed. The bid items listed below are for providing all the necessary equipment, materials and labor for the hauling, laying, and rolling of said asphalt on the various locations listed. Additions or deletions from the estimated quantities will be based upon the unit bid prices. Complete project specifications are included with this bid proposal.

Project locations and bridge spans are listed on the attached map. Approach paving lengths will vary for each bridge location and will be determined by the Auglaize County Engineer. The quantities listed in the bid proposal are estimates only. Actual tonnages will be determined specifically for each site.

The Auglaize County Engineer/Commissioners shall have the right to waive any informalities and have the right to reject any or all bids or specific line items in the bid.

Prevailing Wages:

The project is subject to Ohio's Prevailing Wages as outlined in Section 4115 of the Ohio Revised Code.

Work Required:

The Contractor shall furnish all labor, equipment and material necessary to resurface miscellaneous bridge and culvert locations in Auglaize County. Specific locations are shown on the attached map and will include resurfacing of bridge approaches and/or newly waterproofed bridge decks.

The contractor is responsible for tacking, hauling, spreading and rolling asphalt concrete as specified in this document. The contractor shall place variable depth asphalt over the prepared bridge approaches and bridge deck. All joints shall be sealed with AC20. The required asphalt specifications are listed below.

A quantity for Type 441 (PG 70-22) Asphalt Concrete is listed within the bid document. The extents and locations for this asphalt type will be determined by the Engineer.

The Contractor will, at a minimum, be given a two week notice to perform the requested work. The Auglaize County Engineer and the Contractor will be in frequent communication to balance the Contractor's schedule and complete the work in a reasonable time to limit road closure times. Auglaize County Engineer reserves the right to non-perform a portion of this work due to limitations in the Contractor's availability and timeliness.

All work performed by the Contractor shall be subject to the administration of Section 4115 of the Ohio Revised Code (prevailing wage).

Required bonding and supplemental information:

A bid bond or certified check in the amount of 10% of the total bid shall accompany all bid proposals to guarantee each bid proposal submitted to the Auglaize County Commissioners. All certified checks are to be made payable to the "Treasurer of Auglaize County". All bid bonds and certified checks shall be released to any unsuccessful bidders within 10 days of the County Commissioners making an award of a contract.

The contractor shall present to the Board of County Commissioners a 100% performance bond within 10 days from the notice of award by the County Commissioners. The successful bidder, before the signing of the contract, shall provide to the County Commissioners:

1. A "Certification of Personal Property Tax" form
2. A Non-Collusion Affidavit
3. Campaign Contribution Limitation Certification
4. An OSHA contractor's agreement
5. Proof of liability insurance with minimum coverage as specified
6. Affirmative Action Clause: Each bidder, contractor or subcontractor shall fully comply with all rules, regulations, or restrictions in full as per Executive 11246 of Affirmative Action, Non-discrimination, and employee laws.

Material Specifications:

The Contractor shall provide to the Auglaize County Engineer copies of the job mix formulas (for all asphalt mixes listed in the bid documents) from each plant that provides hot mixed asphalt as a part of this project. Section "401 Asphalt Concrete Field Operations" through Section "407 Tack Coat" of the current ODOT specifications shall be used for acceptance. Recycled asphalt shall not exceed 15% of any mix produced. The ODOT Construction and Specifications Manual dated January 2023 shall be used as the reference for all other specifications relating to materials, application methods, penalties, etc. not directly mentioned as part of this bid document.

Traffic Control:

Auglaize County will install the necessary traffic control devices. The locations will be closed to through traffic during paving operations.

Inspection and Testing Materials:

The Auglaize County Engineer will have an inspector on locations at varying times daily. The construction shall be scheduled with the Engineer so that proper agencies can be notified and inspection coordinated. The County Engineer reserves the right to collect asphalt samples at any time. All testing shall be completed by an approved laboratory utilizing the reflux titration method. All costs of testing shall be the responsibility of the County.

Optional Bid Item:

It is the intent that Auglaize County crews will perform the necessary preparatory work (i.e. milling to grade), but an optional bid item is listed for the Contractor to perform said preparatory work as a part of this bid package. This optional bid cost will not be used to determine the low bidder.

This page must be executed prior to submission of bid

The undersigned bidder hereby agrees that within ten (10) days from the date of the written notice of bid acceptance will enter into a contract with the Auglaize County Board of Commissioners and to have furnished the required performance bond in the amount of one hundred percent (100%) of the contract price or forfeit to the Auglaize County Board of Commissioners as liquidated damages the bid bond.
