This limitation of liability includes any losses payable to Client under clause 12.1 and will apply to any and all claims.

transportation, treatment, and/or disposal of all material. All samples remain the property of Client. Client agrees to promptly, at its cost, remove and lawfully dispose of samples, cuttings, and hazardous materials.

18. DISPUTE RESOLUTION

- 18.1 If a dispute arises out of or relates this Agreement (**Dispute**), the parties agree to submit the Dispute to mediation pursuant to the Construction Industry Mediation Rules of the American Arbitration Association (**AAA**). The mediator will be an independent person agreed between the parties from a panel suggested by the Institute or, failing agreement, a mediator appointed by AAA. A party shall not call for mediation of any Dispute after such period of time as would bar the initiation of legal proceedings to litigate such Dispute under the laws of the state in which the Project is located.
- 18.2 Client and Kleinfelder agree that in the event of a Dispute, they will not seek recourse against individual officers, employees, directors, or shareholders of the other party.

- 18.4 If the Dispute cannot be resolved through mediation, either party may file suit in an appropriate court in the state where the Services are performed.
- 18.5 This clause survives termination or expiry of this Agreement.

19. MISCELLANEOUS

- 19.1 This Agreement is governed and construed in accordance with the laws of the state where the Services are performed. The parties hereby submit to the jurisdiction of the courts of the state where the Services are performed and waive any right to object to any proceedings being brought in those courts.
- 19.2 Waiver of any term, condition or breach of this Agreement will not operate as a subsequent waiver of the same term, condition or breach. A waiver is not valid or binding unless made in writing.
- 19.3 If any provision of this Agreement is found by a duly constituted authority to be invalid, void, or unenforceable, all remaining provisions shall continue in force.
- 19.4 This Agreement does not create, nor will it be construed to create, any benefit or right in any third party or any special relationship or fiduciary duty to third parties.
- 19.5 Client and Kleinfelder shall abide by the requirements of 41 CFR 60-1.4(a), 60-300.5(a) and 60-741.5(a). These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities, and prohibit discrimination against all individuals based on their race, color, religion, sex, or national origin. Moreover, these regulations require that covered prime contractors and subcontractors take affirmative action to employ and advance in employment individuals without regard to race, color, religion, sex, national origin, protected veteran status or disability.

- 19.6 This Agreement constitutes the entire understanding and agreement of the parties with respect to its subject matter. It supersedes all earlier conduct, prior agreements and understandings between the parties in connection with its subject matter.
- 19.7 Each party must do anything necessary to give full effect to this Agreement.
- 19.8 All notices, requests or instructions hereunder must be in writing and either hand delivered to the recipient, delivered by registered mail or express mail to the addresses given in this Agreement.

- 19.10 Any amendment or revision to this Agreement must be in writing and signed by both parties. Any oral modification or revision of this Agreement shall not operate to modify this Agreement.
- 19.11 This Agreement may be executed in counterparts, including photo or electronic copies, which taken together shall constitute one original document.

IN WITNESS WHEREOF, Client and Kleinfelder have caused this Agreement to be executed on the date first written above.
