If the Ohio General Assembly fails at any time to continue funding for the payments due hereunder, this Agreement is hereby terminated as of the date that the funding expires without further obligation of ODOT.

2.7 ODOT reserves the right to make partial payments on any Grant Contract when necessary to conform to appropriation levels and cash availability.

2.8 Upon completion of the project and after ODOT's completion of the project inspection, Grantee shall submit to ODOT a Request for Payment Voucher Form. If the contract documents are at variance therewith in any respect, any necessary changes shall be incorporated by appropriate modification.
- 4.2 In no event shall the Grantee or any of its employees, agents, contractors or subcontractors be considered agents or employees of ODOT, the State or the FAA. The Grantee agrees that none of its employees, agents, contractors or subcontractors will hold themselves out as, or claim to be, agents, officers or employees of ODOT, the State or FAA, and will not, by reason of any relationship with ODOT, make any claim, demand or application to or for any right or privilege applicable to an agent, officer or employee of the State or the FAA, including, but not limited to, rights and privileges concerning workers' compensation benefits, social security coverage or retirement membership or credit.

- 4.3 No state agency and no political subdivision shall award a contract for goods, services, or construction, paid for in whole or in part with state funds, to a person whom a finding for recovery has been issued by the Auditor of State, if the finding for recovery is unresolved as defined by the Attorney General.
- 4.4 Neglect or failure by Grantee to comply with any of the terms, conditions, or provisions of this Agreement, including misrepresentation of fact, shall be an event of default, unless such failure or misrepresentation are the result of natural disasters, strikes, lockouts, acts of public enemies, insurrections, riots, epidemics, civil disturbances, explosions, orders of any kind of governments of the United States or State of Ohio or any of their departments or political subdivisions, or any other cause not reasonably within the Grantee's control. The Grantee, however, shall remedy as soon as possible each cause preventing its compliance with this Agreement.
- 4.5 If notified by ODOT in writing that it is in violation of any of the terms, conditions, or provisions of this Agreement, and a default has occurred, the Grantee shall have thirty (30) days from the date of such notification to remedy the default or, if the remedy will take in excess of thirty (30) days to complete, the Grantee shall have thirty (30) days to satisfactorily commence a remedy of the causes preventing its compliance and curing the default situation. Expiration of the thirty days and failure by the Grantee to remedy, or to satisfactorily commence the remedy of, the default whether payment of funds has been fully or partially made, shall result in ODOT, at its discretion, declining to make any further payments to the Grantee, or immediate termination of this Agreement by ODOT.
- 4.6 The Grantee, upon receipt of notice of termination, shall cease work on the terminated activities under this Agreement, terminate all subcontracts relating to such terminated activities, take all necessary or appropriate steps to limit disbursements and minimize costs, and furnish a report, as of the date of receipt of notice of termination describing the status of all work under this Agreement, including without limitation, results accomplished, conclusions resulting there from, and such other matters as the State may require.

No delay or omission to exercise any right or option accruing to ODOT upon any default by the Grantee shall impair any such right or option or shall be construed to be a waiver thereof, but any such right or option may be

exercised from time to time and as often as may be deemed expedient by ODOT.

- 4.9 The Grantee shall avail itself of all legal and equitable remedies under any third party contract which relates to the project and shall notify the Office of Aviation of any current or prospective litigation pertaining to any such third party contract. - 4.10 The Grantee shall immediately notify ODOT of any change in conditions or of local law or of any other event which may significantly affect its ability to perform the project in accordance with the provisions of this Contract. ODOT hereby reserves the right to terminate the project and cancel this Contract if ODOT determines that the continuation of the project would not justify the expenditure of Grant Funds or there is pending litigation, which in the opinion of ODOT, may jeopardize the Grant Funds or the project.
- 4.11 If any term, provision or condition contained in this Contract is breached by either the Grantee or ODOT and thereafter such breach is waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.
- 4.12 This Contract and any claims arising out of this Contract shall be governed by the laws of the State of Ohio. Any provision of this Contract prohibited by the law of Ohio shall be deemed void and of no effect. Any litigation arising out of or relating in any way to this Contract or the performance thereunder shall be brought only in the courts of Ohio, and the Grantee hereby irrevocably consents to such jurisdiction. To the extent that ODOT is a party to any litigation arising out of or relating in any way to this Contract thereunder, such an action shall be brought only in a court of competent jurisdiction in Franklin County, Ohio.
- 4.13 If any provision of this Contract is held to be invalid or unenforceable by a court of competent jurisdiction, such holding shall not affect the validity or enforceability of the remainder of this Contract. All provisions of this Contract shall be deemed severable.
- 4.14 The Grantee shall not assign or subtract, in whole or part, or otherwise dispose of the Contract without the prior written consent of ODOT and such written consent shall not release the Grantee from any obligations of this Contract.
