LOAN

Article 1.1. Determinations of Director. Pursuant to the Act and Section II of the Agreement and subject to the remaining terms and provisions of the Agreement and all Appendices thereto, the Director hereby determines that the financial assistance to be provided by the OPWC to the Recipient is in compliance with the Act and is provided to the Recipient for the sole and express purpose of financing the Eligible Project Cost and/or reimbursing the Recipient for such Eligible Project Cost.

Article 2.1. Definitions. All of the capitalized terms contained in this Appendix shall have the same meanings as defined in the Agreement unless otherwise defined herein and shall be in addition to any other terms defined herein:

- (a) "Agreement" means the Project Agreement by and between the OPWC and the Recipient and all appendices thereto which are attached to the Agreement and made a part thereof and incorporated by reference in this Appendix.
- (b) "Eligible Project Costs" means such portion of the Project costs disbursed and loaned from the OPWC to the Recipient for the sole and express purpose of acquiring, constructing, reconstructing, expanding, improving, engineering and equipping the Project, other direct expenses, and related financing costs thereto.
- (c) "Project" means the Capital Improvement Project described in Appendix A of the Agreement.
- (d) "Repayment Amount" means the amount to be paid by the Recipient to the OPWC on each payment date of each year during the Term pursuant to the terms and conditions of the Note.
- (e) "Term" means the period in which the Agreement shall be in full force and effect, commencing on the date hereof and continuing until the next January 1 or July 1 following completion of construction of the Project or until the January 1 or July 1 following the day in which the obligations of the Recipient hereunder have been fully satisfied, whichever date is later.
- (f) "Note" means the promissory note provided to the Chief Financial Officer of record.
- (g) "Utility" means the Project if the Project is or upon completion of construction of the Project, will be a facility which generates revenues from fees, charges or taxes associated with the use of the facility.

Article 3.1. The Loan. On the terms and conditions of the Agreement which are incorporated herein and made a part hereof, the OPWC shall lend to Recipient and Recipient shall borrow from the OPWC an amount not to exceed **Sixty-Three Thousand, Six Hundred Ninety Dollars (\$63,690)**, the proceeds of which shall be utilized solely to finance the Eligible Project Costs and/or reimburse the Recipient for its advance payment of such Eligible Project Costs (the "Loan"). The Loan shall be disbursed by the OPWC to the Recipient pursuant to Section VI of the Agreement. The terms of repayment of the Loan shall be as set forth in the Note and Recipient shall make all payments required to be made under the Note as and when due.

Article 3.2. In the event the Project to be constructed hereunder is or will be a Utility, the Recipient hereby agrees to the following:

- (a) It shall at all times prescribe and charge such rates, fees, charges or taxes as shall result in revenues at least adequate to meet operation, maintenance and all expenses of the Utility and the payment of all amounts required by the Note;
- (b) It shall permit any authorized agent of the OPWC to inspect all records, accounts and data of the Utility at any reasonable time; and
- (c) It shall segregate the revenues, funds, properties, costs and expenses of the Utility from all other revenues, funds properties, costs and expenses of the Recipient.

During the first fifteen (15) days of May and November of each year during the Term, the OPWC shall invoice the Recipient for the sum due and owing the OPWC and the payment of each such invoice shall be made by the Recipient to the OPWC not later than the first day of July or the last business day of January. The Director at his sole discretion may adjust repayment schedules based on the administrative needs of the Lender. Article 3.4. The Recipient shall pay the Local Subdivision Contribution as provided in Section VIII of the Agreement and Appendix D. If the Term commences prior to the determination of the final costs of the Project, the Repayment Amount and the Local Subdivision Contribution shall be based upon the best figures available at the time of execution of the Agreement or as amended from time to time. Article 3.5. In the event the final costs of the Project are greater than the estimated costs of the Project, the Recipient's Local Subdivision Contribution shall be increased by an amount equal to the difference between the final cost of the Project and the estimated cost of the Project.

Article 3.6. Subject to the terms and conditions of the Agreement, the Eligible Project Costs shall be paid by the OPWC not to exceed the amount established in the Agreement. In the event the Agreement is terminated by the OPWC pursuant to, but not in breach of, the provisions of the Agreement, or by subsequent agreement of the parties, or in the event the Agreement is terminated by the Recipient, whether or not in breach of the Agreement, the Eligible Project Costs incurred in connection with the construction of the Project shall be paid by the Recipient and the OPWC shall be released from paying the Eligible Project Cost. Any moneys paid to the OPWC by the Recipient under the provisions of this Section shall be repaid in not more than one (1) year after termination with interest on the remaining balances at the Default Interest Rate.

Article 3.7. Prior to the disbursement of the Loan, the Recipient shall demonstrate to the satisfaction of the Director the capability of the Recipient to pay the Repayment Amount and the Local Subdivision Contribution. The Director may withhold any disbursement during the Term if he reasonably believes that the Recipient is unable to pay the Repayment Amount or its Local Subdivision Contribution as and when due.

Article 3.8. Upon completion of the Project, the Recipient shall make a full and complete accounting to the OPWC of the Eligible Project Cost.

Article 3.9. If prior to the completion of the Term the Project shall be damaged or partially or totally destroyed by fire, flood, windstorm or other casualty, there shall be no abatement or reduction of the Repayment Amount or the Local Subdivision Contribution payable by the Recipient pursuant to Article 3.2 hereof, and the Recipient shall at its cost and expense (i) promptly repair, rebuild or restore the property damaged or destroyed in substantially the same condition before such damage or destruction, and (ii) apply for any proceeds from insurance policies for claims for such losses as well as utilizing any additional moneys of the Recipient to repair, rebuild and restore the Project.

Article 3.10. In the event that title to or the temporary use of the Project, or any part thereof, shall be taken under the exercise of the power of eminent domain by any governmental body or by any person, firm or corporation acting under governmental authority, there shall be no abatement or reduction in the amount of the Repayment Amount or the Local Subdivision Contribution payable by the Recipient, and any net proceeds received from any award made in such eminent domain proceedings shall be paid to and held by the Recipient in a separate condemnation award account and shall be applied by the Recipient in either or both the following ways as shall be determined by the Recipient:

Any balance of the net proceeds of the award in such eminent domain proceedings shall be paid to the Recipient upon delivery to the OPWC of a certificate signed by the Chief Executive Officer of the Recipient that the Recipient has complied with either paragraph (a) or (b), or both, of this Section. The OPWC shall cooperate fully with the Recipient in the handling and conduct of any prospective or pending condemnation proceedings with respect to the Project or any part thereof. In no event will the Recipient voluntarily settle or consent to the settlement of any prospective or pending condemnation proceedings with respect to the Project or any part thereof without the prior written consent of the OPWC.

Article 3.11. The Recipient agrees that each of the following shall be an event of default ("Event of Default") under this Agreement:

- (b) The Director may in his sole and complete discretion and in accordance with Section 164.05 of the Revised Code, direct the county treasurer of the county in which the Recipient is located to pay the amount of any default hereunder from the funds which would otherwise be appropriated to the Recipient from such county's undivided local government fund pursuant to Sections 5747.51 to 5747.53 of the Revised Code.
- (c) The OPWC shall be released from any and all obligations to Recipient hereunder.
- (d) The entire principal amount of the Loan then remaining unpaid, together with all accrued interests and other charges shall, at the OPWC's option, become immediately due and payable.

Article 3.13. No right or remedy conferred upon the OPWC under Article 6.3 hereof is intended to be exclusive of any other right or remedy given herein, by law or otherwise. Each right or remedy shall be cumulative and shall be in addition to every other remedy given herein, by law or otherwise.

Article 3.14. Notwithstanding any provision contained in this Appendix, the promissory note, or any other provision of this Agreement, should the Repayment Amount equal \$5,000 or less, it shall be paid to the OPWC in two equal payments according to the invoice schedule established in Article 3.3.
