Rule 1

Scope and Applicability of Rules; Purpose

The Rules herein after set forth shall apply to the Criminal, Civil, Probate, Juvenile and Domestic Relations Divisions of the Common Pleas Court of Auglaize County, Ohio. The purpose of these Rules is to define local practices and procedures of this Court, consistent with the Rules of Superintendence, the Rules of Juvenile, Civil and Criminal Procedure and such, as other Rules as may be adopted or promulgated by the Supreme Court of Ohio pursuant to Section 5 or Article 4 of the Ohio Constitution.

Rule 2

Term of Court; Hours of Sessions

(A) Pursuant to Revised Code Section 2301.05, the Court shall be in continuous operation for the transaction of Judicial business. There shall be one (1) term of Court commencing on January 1 of each calendar year. The term shall be divided into three (3) sessions; these sessions shall commence on January 1, May 1 and September 1 respectively.

(B) The separate sessions of this Court for the trial of cases shall be from 9:00 a.m. to 12:00 noon, and from 1:00 p.m. to 4:30 p.m. on Monday through Friday each week, except on those days designated by law as legal holidays. The Court shall be in session at such other times as the Judge shall prescribe to meet special situations or conditions.

Rule 3

Security for Costs

Unless a Poverty Affidavit is filed, no civil actions or proceedings shall be accepted by the Clerk unless the party or parties offering the same for filing shall have first deposited a sum of money to secure the payment of costs and to pay the filing fees as required by the Ohio Revised Code and Local Rule. Except as otherwise provided by law, when applicable, such advanced deposits shall be as follows:

- A.) \$225.00, general security upon original filing.
- B.) \$175.00, security for each cross-claim, counter claim or third party action.
- C.) \$500.00, additional security for service by a publication.
- D.) \$325.00, petition for dissolution, divorce, alimony or annulment.
- E.) \$150.00, request for in-County investigations.
- F.) \$200.00, request for out-of-County investigations.

- G.) \$225.00, appeals from other tribunals.
- H.) \$150.00, all Post Judgment Motions.
- I.) \$150.00, additional deposit on execution issued to Auglaize County Sheriff or such amounts as may be requested by the Sheriff, due to special circumstances and/or ordered by the Court.
- J.) \$225.00, all other Complaints or Petitions.
- K.) Pursuant to R.C. 2953.32(C)(3), \$50.00, in Expungement proceeding.
- L.) \$150.00, deposit or an Affidavit of Indigency must accompany the filing of a Notice of Appeal to the Third District Court of Appeals.
- M.) \$1,000, deposit for Guardian Ad Litem fees pursuant to Rule 26.08 and \$500, deposit for Home Study Investigations pursuant to Rule 26.09.

On Motion to Modify a former Order of the Court, the moving party shall pay all unpaid Court Costs which said moving party has been ordered to pay and in addition thereto shall deposit the sum of \$150.00.

Said deposit schedule is subject to additions as authorized and/or required by the Ohio Revised Code.

The Clerk may require a deposit for costs in any proceeding at filing and not specifically covered in the foregoing schedule.

In case of multiple parties, the Clerk may require the requesting party to advance an amount estimated by the Clerk to be sufficient to cover the costs thereof.

If it is brought to the attention of the Court by the Clerk of this Court, or by any party to the proceedings, that any deposit is insufficient, the Court may require said deposit to be increased from time to time.

Where the Plaintiff makes an affidavit of inability to pay or secure costs as provided by Section 2323.31 of the Ohio Revised Code, the Clerk of Courts shall receive and file such complaint without such deposit or security; provided, however, the Clerk shall not accept for filing any affidavit of a party's inability to make the required deposit for costs unless and until the Court has indicated approval thereon. Said affidavits are subject to Court review at any stage of the proceeding.

To secure such approval, the attorney for the party desiring to file the affidavit shall certify that no monies have been paid to her by the party, and that to her best knowledge and belief, after reasonable inquiry has been made, the party is unable to make the deposit.

After an Order of Sale is approved by the Court on Foreclosure, or after Praecipe is filed for execution, the Clerk shall estimate all costs taxable through the Clerk's office, such as appraiser's fees, Sheriff's fees and poundage, and so forth, and upon a determination of the

estimated costs, and at the Clerk's discretion, she may secure a further deposit from a party or parties initiating the action for the sale of real estate prior to any further proceedings thereon. This Rule is not applicable to the Treasurer of Auglaize County, Ohio.

Regarding requests to figure Court Costs on all Foreclosure actions, the Clerk of Courts will figure Court Costs due only upon receipt of copies of all documents that will be filed to conclude the action. These documents may include a Motion to Confirm Sale, a Judicial Report Fee Motion and/or the Journal Entry Confirming Sale and Ordering Deed and Distribution.

Requests for Court Costs calculation and copies of the proposed documents may be sent to the Clerk of Courts by US Mail at P.O. Box 409, Wapakoneta, OH 45895-0409 or by FAX to 419-739-6768. The Clerk assumes no responsibility for documents sent by FAX, but not received in the Clerk's office. All Mortgage Releases, Certificate of Judgment Releases, etc. must be included in the Journal Entry Confirming Sale. Any release added or any additional documents that are to be filed after the Court Costs are figured will invalidate the proposed Journal Entry and it will be returned by the Clerk to the sender for correction before submitting it to the Judge for signature and filing.

After the Journal Entry Confirming Sale is signed by the Judge and filed with the Clerk of court, if a change or addition or correction is deemed necessary, including volume and page numbers, or if a Mortgage Release or Certificate of Judgment was omitted and needs to be added, the Court will require the filing party to file a motion to reopen the case and to pay the deposit of \$150.00 to the Clerk of Court for reopening the case.

All Journal Entries should award Judgment for Costs where applicable, including attorney fees where so pronounced.

Discretion of Clerk

The Clerk of this Court is granted the following discretionary powers:

- (A) All costs in dissolution, divorce, alimony and annulment cases must be paid in full before final decree is entered. The Clerk is authorized to withhold filing until such costs are paid.
- (B) If the costs are not paid at the termination of litigation, any deposit for costs may be applied by the Clerk to the unpaid costs due.
- (C) In order to effectively collect costs, fines, restitutions or other monies due, the Clerk shall: (a) apply any deposits, bonds or other monies in the possession of the Clerk; (b) issue executions for the recovery of said money; (c) file Certificates of Judgment with this or any other Court; and (d) effect collection of such monies due by any other legal means.
- (D) The Clerk may make periodical partial distribution of money deposited for the purpose of fines and restitutions.
- (E) To refuse to file any paper or Pleading not in complete conformity with these Rules, or any pleading which is not signed (original signatures) or in which the signature is unreadable.
- (F) To refuse any check tendered for payment unless certified.

(G) In actions or proceedings when the Clerk of Courts is of the opinion that the deposit for security of costs is, or will become inadequate, said Clerk may request that the Court require the initiating party or parties to advance an amount estimated by said Clerk to be sufficient to cover the costs in excess of the schedule set forth above.

Rule 4

Service

(A)(1) In all civil filings, the plaintiff shall initially choose one method of service as provided for in Civil Rule 4.1, and may not request service by an alternate method until there is a return showing failure of service, except Domestic Relations, which may be served as directed by the parties or otherwise authorized by the Court.

(A)(2) Special Process Servers

(a) Application. A person may apply to be designated as a “Special Process Server” for cases filed in the court by filing an application supported by an affidavit setting forth the following information:

- (1) The name, address, and telephone number of the applicant
- (2) That the applicant is eighteen years of age or older
- (3) That the applicant agrees not to accept service of process on any case in which the applicant is a party or counsel for a party
- (4) That applicant agrees to follow the requirement of Civil Rule 4.1 through 4.6, any applicable local rules, and specific instruction for service as ordered by the Court in individual cases.

(b) Order. The applicant requesting the designation shall submit an order captioned “In Re the Appointment of (name of applicant) As Standing Special Process Server” and stating the following:

“It appearing to the Court that the Applicant is eligible for appointment as a Special Process Server, (name of applicant) is hereby designated a Special Process Server authorized to make service of process in all cases filed with the Court, and to serve one year from the filing of this Order.”

(c) Filing. The order shall be signed by the Administrative Judge of the General Trial Division and shall be filed with the Clerk of Court who shall record the entry and retain the original Application and Order. For a one year period from filing, the Clerk shall accept a file-stamped copy of such order as satisfying the requirements of Civil Rule 4.1 for the designation by the Court as a person authorized to make service of process. The cost of filing this application is \$100.00.

(B) Counsel for a party desiring service by a publication shall submit to the Clerk of Courts the proposed legal notice for such publication. This notice shall be promptly published in the local newspaper by the Clerk of Courts. The costs of the legal notice shall be paid by the requesting counsel directly to the newspaper.

(C) In a divorce, annulment, or legal separation action, Service by a Publication shall conform to Civil Rule 4.4(A)(2). The Court does hereby name the additional two (2) posting places to be the public area of the Auglaize County Sheriff's Office and the public area of the office of the St. Marys, Ohio Police Department.

Rule 4.1

Service in Civil Stalking Cases

The Clerk is Ordered that Petitions for Civil Stalking Protection Orders or Sexually Oriented Offense Protection Orders shall be served by PERSONAL SERVICE if the address is located within the State of Ohio, and by CERTIFIED MAIL if the address is not within the State of Ohio, unless specifically instructed otherwise by the Petitioner and Page 5 of 10.03 D will not be needed unless such specific instructions are desired.

Rule 5

Removing Files; Copying Files

The Clerk of Courts shall not permit any of the files of that office to be taken from said Clerk's custody except with written approval by the Court, and only then with proper receipt for the same. No such Pleading or papers shall be removed from the Auglaize County Courthouse. Such orders shall not prevent the files of the Clerk of Courts being removed from the County by a visiting Judge, however.

The Clerk shall permit any party to the action or her attorney or agent to make copies of any papers in the files of the Court (except Depositions and Bills of Exceptions, and except items otherwise sealed), the same to be made at the expense of the party requesting such copies. The Clerk shall charge \$.05 per page for all copies made of documents on file in the office of the Clerk of the Court. If Certificate and Seal is requested, the Clerk shall charge an additional \$1.00 fee for each document.

Rule 5.1

Protection of Personal Identifiers

A person filing or submitting a document with the Court or the Clerk of Court shall comply with Rule 44 through 47 of the Rules of Superintendence for the Courts of Ohio by not including in any document "personal identifier":

Superintendence Rule 44(H) – "Personal identifier" means social security numbers, except for the last four digits; financial account numbers, including but not limited to debit card, charge card, and credit card numbers; employer and employee identification numbers; a juvenile's name in an abuse, neglect, or dependency case, except for the juvenile's initials or a generic abbreviation such as "C.V." for child victim; any other information deemed personal and private by any federal or state statute, regulation, executive order, or court ruling.

The parties when omitting personal identifiers from a case document shall submit that information to the Court or Clerk on a separate form designated by the Court in this rule as Form 5.1. Such completed forms shall only be accessible as provided for in the Rules of Superintendence, which will be deemed by the Court as a non-public record. The information will be kept in a separate envelope within the case filed and marked as follows: "CONFIDENTIAL FILE – To be opened by Court/Clerk Personnel ONLY."

When issuing orders or other documents that require personal identifiers such as on arrest warrants or garnishment orders, those personal identifiers shall be provided on a separate document and not be a part

of the case document. That document shall be maintained by the Clerk in the same manner as the personal identifier information sheet, and shall be transmitted by the Clerk to the Sheriff, law enforcement agency, garnishee, or other appropriate party or person as needed to carry out the warrant or order as appropriate.

It is the responsibility of the filing party and counsel to remove personal and private information from a document filed with the Clerk of Court's office. The responsibility of the filing party and counsel to remove personal and private information extends to and includes exhibits or addenda attached to filings, such as preliminary and final judicial reports, which itemize state tax liens that use social security numbers as case numbers, or medical records. The Clerk of Courts and Deputy Clerks shall have no responsibility for the removal of any personal and private information filed in a public document in the Clerk of Court's office.

Any personal and private information in documents filed prior to June 30, 2009, is considered public. Any personal and private information in records or transcripts transmitted to this court from another court is considered public. A party or an attorney in a case, or any other person whose personal and private information is contained in a public record of this court may petition the court for the removal of personal and private information, and if the request is granted, the personal and private information will be removed from the file-stamped document and placed in a separate envelope and deemed a non-public record. A redacted copy of the document will be placed in the public case file.

Rule 6

Pleadings and Motions

(A) All pleadings, Motions, Memoranda, Briefs and other papers filed for record shall be legibly typewritten or printed on letter size (8 ½" x 11") paper and must be on the FRONT side only. The top right hand corner of the initial sheet of every pleading, motion, brief, or other paper filed for record shall have an area approximately two and one half inches by two and one half inches (2 ½" x 2 ½") left blank for the Clerk of this Court to file stamp the date and time of filing. All subsequent pages shall have a top margin of at least one and one half inches (1 ½"), shall be secure and bound at the top. All such Pleadings shall contain the name, address and telephone number of counsel, the name of the attorney having primary responsibility for the case where counsel is a firm of attorneys or there is co-counsel and the current address of all parties to the action. All such pleadings shall contain a legible, original signature. The Clerk is authorized to refuse to accept any document not conforming to such requirements. Counsel shall notify the Clerk in writing of any change of address of any party.

(B)(1) The Clerk of Courts shall not accept for filing any Pleading, Motion or Memorandum unless it is accompanied by a copy thereof, which copy the Clerk shall forthwith forward to the Judge, plus sufficient copies for service and/or return to the filing party.

(B)(2)(a) Effective immediately, no party or any representative of any party shall cause to be filed in any civil or criminal case any pleading or filing that contains the full social security number of any person, and the Clerk shall not accept for filing any pleading or filing that violates this rule, except as provided in Rule 6(B)(2)(b) below. A party or representative thereof may, at their discretion, file a pleading or filing containing the last four numbers of a person's social security number, if such number is relevant to the case or controversy.

(B)(2)(b) Notwithstanding this rule, any request for issuance of an arrest warrant, summons or bench warrant, and the actual warrant or summons issued thereafter, may include the full social security number and date of birth of the person named therein. The Clerk shall, upon return of service of the warrant or subpoena replace the original with a redacted copy (ies) upon which the Clerk shall redact the first five numbers of such social security number, retaining the original document (s) in a separate envelope maintained with the file, with said documents open only to inspection to judicial staff, clerk's staff or upon Court order.

(C) Motions not expressly governed by Civil Rule #65 and Civil Rule #75, shall have attached thereto and be accompanied by a Brief stating the grounds thereof and citing the authorities relied upon. The Clerk shall not accept for filing any Motion or Exception that is not accompanied by such Memorandum or Brief.

(D)(1) All motions may be decided by the Court without oral hearing unless leave of Court for such a hearing is obtained by counsel.

(D)(2) Motions concerning discovery, intervention, domestic relations motions under Civil Rule 75, motions for temporary restraining orders or injunctions under Civil Rule 65, or any other motion that may be heard *ex parte*, shall be ruled on by the Court and may be subject to an accelerated schedule if responses are allowed.

(D)(3) Motions for summary judgment shall be submitted to the Court upon the pleadings as provided for in the procedures and time frames as set forth in Civil Rule 56(C) without a hearing unless otherwise ordered by the Court.

(D)(4) Motions concerning domestic violence, stalking or sexually oriented offenses, civil protection orders shall be scheduled in accordance with the statutes providing such relief and also subject to Civil Rule 65.1.

(D)(5) All other motions shall be subject to the briefing schedule and submission as set forth in Civil Rule 6(C).

(E) Pleadings and Motions may be Amended as provided in Civil Rule #15, but no Pleading or Motion shall be Amended by interlineation or obliteration except upon leave of Court.

(F) Counsel and parties are reminded of Revised Code Section 2323.51. The Court shall enforce appropriate sanctions where called for.

(G) The Clerk of this Court shall refuse to accept for filing any pleading, motion or other paper which is unsigned. A rubber stamp signature or the signature of an unidentified third-party not an attorney or party acting in a pro se capacity is not sufficient to satisfy Civil Rule 11.

Failure to file the missing exhibits as required by this paragraph may result in the court striking the document and/or exhibit.
- (B) Any exhibit filed in this manner shall be attached to a cover sheet containing the caption of the case which sets forth the name of the court, title of the case, the case number, name of the judge and the title of the exhibit being filed (e.g. Plaintiff Smith’s Notice of Filing Exhibit “G” to Plaintiff Smith’s Response to Defendant’s Motion to Dismiss), and shall be signed and served in conformance with the rules governing the signing and service of pleadings in this court . (See appendix for sample exhibit cover sheet.)

TIME OF FILING

- (A) Subject to the provision of these rules, all documents sent by fax and accepted by the Clerk shall be considered filed with the Clerk of Courts as of the date and time the Clerk time-stamps the document received, as opposed to the date and time of the fax transmission. The office of the Clerk of Court will be deemed open to receive facsimile transmission of documents on the same days and at the same time the court is regularly open for business.
- (B) Fax filings may NOT be sent directly to the court for filing but may only be transmitted directly through the facsimile equipment operated by the Clerk of Courts.

- (C) The Clerk of Court may, but need not, acknowledge receipt of a facsimile transmission.

Rule 7

CONTINUANCES

- (A) No continuance of an oral hearing will be granted except upon written application of the Court together with evidence of good cause for such continuance. Also, its applications for continuance must be made at least seven (7) days prior to such hearing.
- (B) In cases assigned for trial, applications for Continuances must be supported by evidence of good cause for Continuance and when such application is based upon the absence of a witness it must be supported by evidence of reasonable diligence on the part of counsel.
- (C) All applications for Continuances must be approved by the Judge and if a Jury has been called, the expense of calling such Jury will be borne by the party requesting the Continuance. If the request is granted, the applicant shall prepare a Judgment Entry which contains the reason for the Continuance, the name of the attorney who made the request and the new date certain to which the matter has been continued, which dates shall be first obtained from the Assignment Commissioner. All Continuances are discouraged. Counsel who plan to be away on vacation or otherwise, should notify the Assignment Commissioner well in advance of their anticipated absence. After a trial date is scheduled, counsel who have a conflict with a scheduled trial date should immediately apply for Continuance so that their case may be rescheduled and a replacement case inserted instead; also, requests must be accompanied by a copy of the Order creating the conflict. Untimely requests will be denied.

Rule 8

Certificate of Service

Every Pleading, Motion, Memorandum or Argument, in writing, filed with the Court and Judge, shall be served upon all opposing counsel or upon all parties not represented by counsel.

Proof of service shall be by certificate of service attached to such Pleading of a Motion, Brief, Memorandum or Argument, and shall include the names of attorneys and/or parties served, and the date and manner of such service.

Rule 9

Rule Dates and Extensions

Prior to the expiration of any Rule date, any party may be permitted leave to Move or Plead provided the total extension of time does not exceed twenty-one (21) days. Subsequent to the expiration of a Rule date, leave will be granted only for good cause shown.

Where an additional extension of time beyond that provided by the foregoing paragraph is needed, the party desiring the extension shall file a written Motion supported by an affidavit stating facts indicating the practical impossibility of pleading within Rule and demonstrating good cause for further extension. The Motion and affidavit shall be served upon opposing counsel and the matter shall be heard at a time to be fixed by the Court. Motion and affidavit will be required even though consent of counsel is obtained if the extension is for a period of time beyond twenty-one (21) days.

Rule 10

Notification of Counsel

It shall be the duty of any attorney upon accepting representation of the Defendant in any Civil, or Criminal, or Juvenile matter, to immediately notify the Court of such representation, even though her appearance may not as yet have been entered in the case.

Notification by the Assignment Commissioner by ordinary mail shall be deemed official and complete notification to all counsel of any assignment of any case for any purpose whatsoever.

Rule 11

Scheduling Conference – in Civil Cases

(A) At such time as the Court may determine, or upon request of any party to the proceeding, and when it appears that any case is at issue before the Court, such case will be assigned for a Scheduling Conference.

(B) Scheduling Conferences may be held in Chambers or by telephone conference as the Court may direct. This Scheduling Conference is not a pre-trial for purposes of Civil Rule 26.

(C) Scheduling Conference Statements need not be filed unless specifically directed by the Court. In the event such order is made, the statement will cover the matters set forth in paragraph (D) below. Civil matters seeking injunctive relief will be scheduled on a priority basis, consistent with Civil Rule 65, and as soon as practicable whether or not a temporary restraining order has issued.

(D) At such Scheduling Conferences, trial counsel shall appear and be prepared to address all matters set forth in Civil Rules 16 and 26, including without limitation:

- 1.) Nature of proceeding;
- 2.) Peculiar issues involved;
- 3.) Analysis of issues;
- 4.) Scope and time needed for Discovery, including cut-off date;
- 5.) Exchange demonstrative evidence and exhibits;
- 6.) Determine whether Pre-trial Conference and/or Pre-trial statement will be required;

(E) At the Scheduling Conference, the Court shall have the authority to decide any undetermined preliminary matters; to record any admissions, stipulations or agreements; to hear and decide the case with the consent of the parties in Civil cases; to make whatever findings, orders, Judgments or decrees which may be warranted or proper under the circumstances.

(F) Scheduling Conferences will not be held in Foreclosure, Worker's Compensation, Domestic or Appellate type proceedings unless specifically ordered by the Court.

(G) Parties are not required to appear in person at Scheduling Conferences if held in Chambers unless specifically ordered by the Court.

(H) The Court may set certain proceedings for back-up trial at a Scheduling Conference, or at any time thereafter to date of Pre-trial or Discovery cut-off date. Counsel shall be prepared to go forward with trial. The Court will make every effort to advise trial counsel as early as possible as to whether the back-up trial will go forward or be preempted by a signed primary trial, but in any event, no later than three (3) days before trial date.

- (I) Counsel are encouraged to communicate prior to the Scheduling Conference and to submit to the Court a "Rule 26(F) Report of the Parties" at or prior to the Scheduling Conference.

Rule 12

Pre-trial Procedure

(A) All Civil cases not in Default and all Criminal cases where a plea of Not Guilty has been entered at an Arraignment, should be pre-tried. In certain proceedings such as Foreclosure, Worker's Compensation, Domestic, Appellate Review or similar type proceedings, Pre-trial Conferences may be held by telephone conference calls with prior arrangement and approval of the Court. In actions seeking an injunction, the Court may determine a pre-trial will not be held.

(B) In all Civil cases, Pre-trial Statements by all parties shall be filed with the Court at least three (3) days before date of Final Pre-trial. They shall include the following:

- 1.) A statement of the facts giving rise to the claim or defense, and/or counter-claim.
- 2.) A comprehensive statement of the issues involved.
- 3.) Propositions of law or positions supported by law with at least two (2) or three (3) authorities cited.

- 4.) List of and addresses of witnesses who will be appearing on behalf of the party, including a short statement of testimony of witnesses. Witness lists shall be furnished to the Court Reporter.
- 5.) A list of all demonstrative evidence or exhibits which will be offered on date of trial. Exhibits shall be marked, in accordance with Court Reporter's instructions, and exhibits shall be exchanged with copies to Court and Court Reporter.
- 6.) A demand or offer for settlement.
- 7.) An estimate of trial time.

(C) It is the intent of the Court to assign Final Pre-trial and trial within a short period of time. Accordingly, it is suggested to counsel that a preparation for the Final Pre-trial hearings shall encompass the same type of preparation as would be required for trial.

(D) The parties and their respective counsel shall appear at each Pre-trial session. A corporate party may appear by an officer or by an employee having knowledge of the subject matter of the case. A party who is insured, concerning the claims of the case, may appear by a Claims Representative of her public liability insurance company. However, if the Pre-trial Judge finds that the presence of the insurance party is essential to the conduct of the Pre-trial, he may direct such party to appear in addition to the Claims Representative. A party unable to appear by reason of illness or other disability, or residence outside the jurisdiction of the Court, may be excused from appearing upon application to the Pre-trial Judge. If such party is excused, it is mandatory that he be available by telephone at the time of the Pre-trial and ordered to assist in negotiations. A party may be excused only upon prior leave of Court.

Whether or not the case is settled, it is likely that by reason of the knowledge gained at Pre-trial, the case will be more efficiently tried.

(E) The attorneys (or parties pro se) shall be prepared to:

- 1.) Freely discuss the theory or theories of their case, both factual and legal;
- 2.) Discuss the necessity or desirability of Amendments to any Pleadings or the filing of additional Pleadings;
- 3.) Discuss simplification of the issues;
- 4.) Make admissions as to the facts and genuineness of documents and other exhibits which are not in dispute;
- 5.) Eliminate parties unnecessary to the case;
- 6.) Give the names and addresses of witnesses whom they intend to call, and state the general nature of their testimony. The refusal or failure of any counsel to disclose a witness may render evidence by that witness inadmissible at trial, unless leave is obtained for good cause shown. This shall not apply to rebuttal witnesses;

- 7.) Give the number and nature of exhibits they intend to introduce and produce them for examination by the Court or parties;
- 8.) Give the names, addresses and specialties of any anticipated expert witnesses unless disclosure of such witnesses has been previously ordered;
- 9.) Exchange reports of expert witnesses expected to be called by the parties;
- 10.) Exchange medical reports and hospital records;
- 11.) Discuss limitations on the number of expert witnesses;
- 12.) Discuss the necessity of supplementing Interrogatory Answers or other previously discoverable matters;
- 13.) Discuss procedures and time limitations for the completion of any further anticipated Discovery;
- 14.) Submit and consider authorities on unique or controverted issues or guarantee their submission on or before a date certain;
- 15.) Discuss any other matters that may expedite the trial or disposition of the case.

(F) At the Pre-trial Conference, the Pre-trial Judge shall have authority to decide any undetermined preliminary matters; to record any admissions, stipulation or agreements; in Civil cases, to hear and decide the case with the consent of the party; to make whatever findings, orders, Judgments or decrees which may be warranted or proper under the circumstances and within the scope and the spirit of the Civil Rules; set the case for trial or dismissal, or take other appropriate action under Civil Rule #37 if counsel failed to appear.

(G) Following the Pre-trial Conference, the Pre-trial Judge will cause to be prepared an Order reflecting all matters stipulated by counsel and all Orders made by the Pre-trial Judge, and said Orders shall control further proceedings in the action subject to the provisions of Rule #60 of the Civil Rules. The Court and counsel may take any further action at the Pre-trial Conference as is authorized in Rule #16 of the Civil Rules.

(H) Failure of any attorney to be prepared for Pre-trial Conferences or failure of a party or attorney to appear, or to cooperate in good faith in the conduct of the Pre-trial Conference, shall subject said attorney or party, in the discretion of the Judge, to any sanctions provided by Rule #37 of the Ohio Rules of Civil Procedure, including an award of expenses and/or attorney fees to any party prejudiced by said failure. In addition, the Court shall have the authority to proceed with all or any portion of the case and to decide and determine any or all matters ex parte upon failure of the Plaintiff or Defendant to appear in person or by counsel at Pre-trial Conferences in Civil cases. In addition, the Court may transfer the matter to the inactive docket of this Court. In addition, the Court may exclude exhibits if not produced at Pre-trial, or exclude testimony of witnesses who have not been identified to opposing counsel on witness lists at Pre-trial.

(I) Statements of the parties through their counsel made in the course of any Pre-trial hearing shall not be binding upon the parties unless expressly made so by written stipulation in the course of the Pre-trial, or as set forth in the Judge's Pre-trial Minutes.

At the Court's discretion, counsel shall file within five (5) days after the Pre-trial, an amended Pre-trial Statement, including those items contained in paragraph (B), above.

Rule 13

Discovery

(A) Unless circumstances clearly dictate otherwise, counsel shall participate in informal Pre-trial Discovery Conferences to reduce, in every way possible, the filing of Discovery demands and procedures; to that end it is suggested that no Interrogatory requests, Motions or Applications, or Protective Orders shall be filed under Civil Rule #26-37, inclusive, until counsel have diligently explored such objectives with opposing counsel in an effort to informally handle all Discovery matters and reduce or clarify the issues in controversy to facilitate the presentation at trial.

(B) At such time as Discovery cannot be completed informally, the party seeking Discovery shall advise the Court in writing and file such Interrogatory requests, Motions, Applications and Protective Order requests as may be necessary or advisable to counsel for protecting the interests of their client. Such statements shall recite efforts made to resolve differences informally. In addition, such statements shall recite those matters that remain in dispute, and in addition, the date, time and place of such conferences, and names of all parties participating therein.

(C) All Discovery shall be completed by date of Pre-trial or at such other time as may be set by the Court. Unless authorized by the Court, any Discovery after said date may not be offered at trial.

(D) Any person who has responded to a request for Discovery, informal or formal, is under a continuing duty to supplement such response pursuant to Civil Rule #26(E). Any party who fails to supplement such responses will be subject to sanctions by the Court at trial.

Rule 14

Counsel demanding Discovery shall file with the Clerk of Courts a one (1) page certificate bearing the caption, the type of Discovery requested, the name of the party required to respond, the name and address of the counsel to whom the demand for Discovery was directed, and the date of mailing. Unanswered Discovery requests (interrogatories, requests for production of documents, etc.) shall not be accepted for filing by the Clerk.

Rule 15

Depositions

(A) The fees of Officers taking and certifying Depositions shall be paid by the party on whose behalf such Depositions are taken. If the Deposition is used to present evidence at the trial, such payments may be taxed as costs in favor of the prevailing party and shall then become part of the Judgment in the action, except as otherwise ordered by the Court.

(B) When a Deposition has been filed in any action, except in actions in which the law prescribes a different procedure, it shall be opened only by the Clerk at the direction of the Court. The fact

and date of opening, and the name of the person opening it shall be endorsed on the envelope containing the Deposition, which envelope shall be preserved with the Deposition.

(C) Depositions on file shall not be withdrawn without leave of Court.

(D) All Video Depositions shall be filed no later than fourteen (14) days before trial and shall be accompanied by a written transcript of the testimony. The Court will hold a hearing as soon as possible and order to rule on objections, and allow the Video to be edited by trial date if such editing is required. When testimony is recorded on video tape pursuant to Civil Rule #40, it will be the responsibility of counsel to instruct the Notary Public before whom the testimony is taken to note by the use of a digital counter or other clock device connected with the tape, the point on the video tape where objections are made. The Notary will then number the objections consecutively and attach this record to the certification when filed with the Clerk. Objections must be made at the conclusion of the question and answer only. Counsel may state the basis for the objections and read citations into the record at this time. Any objections made prior to the completion of an answer may, in the Court's discretion, be considered overruled.

(E) The filing party/Court Reporter shall include the name and address of the deposing attorney or the party paying for the deposition to allow the Clerk of Court to notify the proper party when the time comes to dispose of the deposition.

(F) All Exhibits depositions and transcripts., depositions and transcripts shall be destroyed in accordance with Supreme Court Rule 26 Court Records Management and Retention (F) Exhibits.

Said application shall recite that the moving counsel has not been contacted by the Defaulting party or counsel for the Defaulting party, or if such contact has been made, the extent to which such contact has been made.

(B) In all cases where a party is seeking unliquidated damages or is entitled to a Jury trial, at a time designated for Default Judgment, the party entitled to Judgment shall present proper evidence in support of the Allegations and Pleadings for consideration by the Court and

(C) In any action or proceeding commenced in this Court, if there shall be a Default of any appearance by any party, the party seeking Judgment shall file with the Court an affidavit setting forth facts showing the party in Default is not in the military service. If unable to file such affidavit, the party seeking Judgment shall in lieu thereof file an affidavit setting forth that the party in Default is either in the military service or the affiant is not able to determine whether or not such Defaulting party is in the service, so that before Judgment can be entered, further Civil proceedings shall be had pursuant to the Soldiers and Sailors Civil Relief Act (50 U.S.C. 520 et seq.).

(D) No Motion for Relief from Judgment pursuant to Civil Rule #60(B) shall be granted by the Court unless the Movant has demonstrated the satisfaction of the Court by operative facts of evidentiary quality that:

Rule 18

When approved by counsel, it shall be so endorsed and furnished to the Court. If counsel are unable to agree on the form of the Entry, or if the same is prepared and submitted by counsel in whose favor the order, decree or Judgment is rendered, and counsel for the adverse party fails, neglects, or refuses to return such Entry, counsel in whose favor an order, decree or Judgment is rendered shall prepare a substitute Entry and submit the same to the trial Judge with the notation thereon that the same has been submitted to counsel for the adverse party pursuant to this Rule, and thereafter the trial Judge will direct what Entry shall be made or shall approve and file the Entries submitted. If such Entry is not prepared and presented for filing by counsel, then it shall be prepared and filed by the Court.

(B) Counsel shall promptly submit an order of dismissal following settlement of the case. If counsel fails to do so within fifteen (15) days after representation to the Court that the case has been settled, the Court may order the case dismissed for want of prosecution or file a Judgment Entry of settlement and dismissal, and assess costs. The Court may also sua sponte transfer any matter to the inactive docket upon being advised the cause has been settled.

(C) Provisions of this Rule shall not be deemed to preclude the Court at any time from sua sponte preparing and filing with the Clerk its own Judgment or order.

E. This rule shall not effect the ability of the CSEA to conduct its own independent review pursuant to the Ohio Revised Code. Upon said review being conducted and the results of same being sent to all parties, and if one or more of the parties do not agree, the CSEA shall file a motion requesting modification which will then be set for hearing. A. The amount of \$750 shall be deemed to be a reasonable, necessary and appropriate amount for attorney fees for representation in cases upon which a finding of contempt has been made or a motion to impose jail sentence from a previous finding in contempt is heard. Any request for attorney fees in excess of that amount shall require a presentation of evidence as to the reasonableness and necessity of said fees in accordance with Ohio law. Except for those matters in which attorney fees are statutorily mandated, it is in the discretion of the Court whether to award attorney fees in such action.

The minor child(ren) shall not be removed from Auglaize County for purposes of relocation unless by written agreement of the parties or authorized in writing by this Court.

2. Each party is enjoined and restrained from doing, attempting to do, or threatening to do any act of injuring, maltreating, vilifying, molesting, or harassing the adverse party or any of the children of the parties.

RULE 28.00 - STANDARD VISITATION AND COMPANIONSHIP RIGHTS

A. Visitation and companionship rights shall comply with this Rule unless otherwise ordered by the Court or by the mutual agreement of the parties.

B. The non-residential parent shall have visitation on alternate weekends from Friday night at 7:00 PM to Sunday evening at 7:00 PM.

C. The non-residential parent shall have week day visitation for a period of two (2) hours per week. The beginning and ending times may be varied to accommodate the work schedules of the parties, the schedule of the children and the appropriate bedtime for the children during the school year. If no agreement can be reached, said visitation shall be had on Wednesday of each week.

D. Mother's Day the children shall be with the mother and Father's Day the children shall be with the father. In the event this provision requires the children to be with the residential parent when it is the non-residential parent's normal weekend visitation, the non-residential parent shall return the children by 9:00 AM on the appropriate holiday. In the event that this provision requires the children to be with the non-residential parent on a day not falling within the non-residential parent's visitation weekend, the non-residential parent shall receive the children at 9:00 AM on that day and return them at 7:00 PM on said day.

E. Holiday visitation shall be as follows:

EVEN YEARS

Residential Parent

President's Day

Friday night to Monday night

Memorial Day

Friday night to Monday night

Labor Day

Friday night to Monday night

Non-residential Parent

Easter

Thursday night to Sunday night

4th of July

Night before to morning after except when the 4th falls on Friday, Saturday, Sunday or Monday, when the visitation shall commence on Friday night and continue to the end of the weekend or the end of the holiday, whichever is later.

Thanksgiving

Wednesday night to Sunday night

Christmas

Christmas Eve and Christmas Day until 2:00 PM.

Christmas

Christmas Day at 2:00 PM for the remainder of the Christmas holiday until 6:00 PM on January 1st unless January 1st falls on a Friday or Saturday in which case the visitation shall continue until the Sunday immediately following that date at 6:00 PM.

Odd Years

During the odd years the above schedule shall be reversed as to Residential and Non-residential parents.

Unless otherwise indicated, holiday visitations shall commence at the regular hour as set forth for the commencement of weekend visitation and shall end at the regular hour set for the ending of weekend visitation. Holiday visitation shall have precedence over the regular weekend visitation but shall not modify it (for example, if the Holiday granted in any particular year to a non-residential parent falls between the regular weekend visitation, the non-residential parent will have three (3) weekends in a row at that particular time).

Christmas and holidays may be modified by agreement of the parties to suit individual family schedules or by agreement or Court Order, upon proper motion, to suit religious preferences.

F. The child shall celebrate the birthday in the home of the residential parent, unless it falls on a regular visitation day, in which event it shall be celebrated with the non-residential parent.

G. Summer visitation

1. The non-residential parent shall have extended summer visitation each summer; however, same shall not exceed four (4) weeks in duration and shall be exercised in two (2) separate blocks of time consisting of fourteen (14) consecutive days. The non-residential parent shall notify the residential parent, in writing, of the time thereof as soon as the vacation schedules at the non-residential parent's place of employment are posted or decided upon but in any event no later than thirty (30) days prior to the exercise of each summer visitation.

2. The residential parent is also entitled to two (2) weeks of vacation time in a block of fourteen (14) consecutive days and shall notify the non-residential parent, in writing, of their intent to exercise a period of time for summer vacation. If there is a conflict over summer vacation time, the parent to first supply written notification to the other parent shall be entitled to exercise the chosen time. Extended summer visitation does not modify or terminate child support during the period of visitation unless by specific order of the Court. Further, unless otherwise agreed by the parties, neither parent may use summer visitation in combination with regular visitation such as to extend the vacation block of time to a period in excess of (14) days.

3. Holiday visitation takes preference over summer visitation and summer visitation takes preference over weekend visitation.

H. Miscellaneous Orders as to visitation and companionship:

1. It is the responsibility of the residential parent to ensure that the children have visitation with the non-residential parent. Such decisions shall not be left to the child.

2. The residential parent shall take the necessary action with the school authorities of the schools in which the children are enrolled to list the non-residential parent as a parent of the children, to authorize the school to release to the non-residential parent any and all information concerning the children and to insure that the non-residential parent receives copies of any notices regarding the children.

3. The residential parent shall promptly transmit to the non-residential parent any information received concerning parent - teacher meetings, school club meetings, school programs, athletic schedules, and any other school activities in which the children may be engaged or involved.

4. Both parties shall be diligent in having the children ready and available at the appointed times and the transporting party shall be prompt in picking up and delivering the children, provided however, that the transporting parent for visitation shall have a grace period of fifteen (15) minutes for pick up and delivery if the parties live within a distance of thirty (30) miles of each other. If the one way distance between the parties is in excess of thirty (30) miles, the grace period shall be thirty (30) minutes. In the event that the visiting parent exceeds the grace period, the visitation for the weekend is forfeited unless prior notification and arrangements have been made and except in cases where the visiting parent lives in excess of thirty (30) miles away and suffers an unavoidable breakdown or delay en route, and the visiting parent promptly notifies the other parent by telephone of the delay. Repeated violations by either parent shall be cause for granting a modification of parental rights and responsibilities.

5. The residential parent shall send with the children on visitations sufficient clothing and outer wear appropriate for the season to last the period of visitation. (For a weekend visitation this shall consist of a minimum of two (2) extra sets of play clothes and one (1) dress outfit in addition to the clothes the children are wearing at the start of the visitation). In the case of infants, the residential parent shall send with the child sufficient bottles, formula and diapers to last the visitation period. Violations of this requirement shall be deemed sufficient cause for a modification of parental rights and responsibilities.

6. Visitation does not include picking up the children and leaving them with a non-family member while the visiting parent pursues their own pleasure nor does it include taking the children to a bar for an extended period of time. Violations may result in a modification of companionship time.

7. The residential parent shall encourage free communications between the children and the non-residential parent and shall not do anything to impede or restrict communications by phone or mail between the children and the non-residential parent whether initiated by the children or the non-residential parent. The mail between the children and parent shall be strictly confidential between them and that parent, and shall not be opened or read by the other parent. This rule applies equally to the residential and non-residential parents.

8. Both parents shall refrain from criticizing the other in the presence of the children and shall refrain from requiring the children to choose sides as between the parents.

9. Neither party shall attempt to modify the religious practice of the children without first having consulted the each other and the Court.

10. The parent receiving the child is responsible for transportation, except mid-week companionship, when the non-residential parent shall transport.

11. These are guidelines concerning parental rights and responsibilities and they will be changed or modified by the Court if it is shown that there is a need for such change. The Court also recognizes that it is impossible to devise a set of rules that will apply in each and every case and therefore encourages the parties to attempt to work out their differences on their own keeping in mind, the best interests of their children.

I. Long Distance Visitation (more than 200 miles, each way) – If the standard rule visitation is not practical due to the distance between the parties, and if the parties do not otherwise agree, the following non residential parent schedule shall apply:

- 1. In odd years – from December 26 through January 1.*
- 2. In even years from the day after school ends through January 1 and if the child is not attending school, from December 18 through January 1.*
- 3. Every Spring break from school.*
- 4. The first one-half of the summer in odd years and the last one-half of the summer in even years.*
- 5. Holidays per the standard rule unless otherwise addressed.*
- 6. Anytime that the non-residential is in the vicinity of the residential parent, the non-residential parent may exercise up to 48 hours of visitation provided there has been 72 hour notice to the residential parent. Said visitation may not take place outside the child's county of residence.*

J. Phase - in Visitation – If the parties and child have never lived as a family unit, or have not lived as a family unit for over one year, the visitation with the non-residential parent shall be phased in using the following schedule. After the introduction phase is concluded, visitation would be extended to the standard visitation schedule.

1. Unless the parties agree otherwise, or subject to modifying order, introductory visitation shall be as follows:

- (A) Visitation shall occur once a week for three hours away from the residential parent's home at a neutral site, such as a suitable relative of the non-residential parent or Our Home or Grampy's House.*
- (B) The non-residential relative must agree to the supervision.*
- (C) The child will not be removed from the agreed upon visitation site during the visitation period.*
- (D) No alcoholic beverages or substances of abuse shall be used during or in the 24 hours prior to any visitation.*
- (E) The visit shall take place on a day of the residential parent's choice and time, unless this conflicts with the non-residential parent's work schedule. In such case, if the residential parent can not choose another non-conflicting day and time, then the non-residential parent may choose the day and time.*

(F) Introductory visitation shall continue for four weeks. If the non-residential parent misses any visitation, the introductory period will continue beyond four weeks until three consecutive weeks have occurred.

2. Thereafter, visitation shall be enhanced for an additional four weeks, for one day per week, for six hours. However, visitation may take place away from the relative's home or other facility. All other guidelines under the first introductory phase shall continue in effect.

3. Thereafter, the non-residential parent may have the child for overnight visitation, once every other week. This shall continue for six weeks. The choice of days shall follow the selection process set out in the first introductory phase. Visitation shall commence at 10:00AM and terminate the following day at 10:00AM, unless otherwise agreed to.

4. After the successful completion of the third phase, the parties shall exercise visitation in accordance with the standard order.

K. Grandparent or other relative or non-relative visitation - if allowed by law, after proper joinder, motion or complaint and the parties can not agree otherwise, the following schedule of non-parental visitation shall apply:

- 1. One weekend per month from Saturday at 10:00 AM to Sunday at 7:00 PM.*
- 2. One week per summer from July 10 at 10:00 AM to July 17 at 7:00 PM.*
- 3. Non-parental visitation shall not interfere with a non-residential parent's visitation or with any holiday visitation of either parent.*

Rule 41
Conduct at Trial

(A) Trial Counsel shall meet in Chambers with the Court on day of Jury Trial at least thirty (30) minutes before time set for trial.

(B) Prior to trial, counsel for the parties shall be provided by the Court with copies of Juror questionnaires which have been previously completed by perspective Jurors and directed to the Court. During voir dire, Counsel may not inquire of Jurors as to matters satisfactorily and completely answered in the questionnaires. Counsel may not copy the Juror questionnaires furnished to them, and must return the jury questionnaires to the Court promptly after voir dire.

(C) Except when making objections during testimony, Counsel shall rise and remain standing when addressing the Court or Jury.

(D) Witnesses shall be expected to take the stand in all cases, unless prevented from doing so by physical infirmity. A witness, not a party, when examined, cannot be recalled without express permission of the trial Judge.

(E) Only one (1) Counsel on each side will be permitted to examine the witness on the trial of a case. Only the same Counsel who examines the witness will be permitted to object.

(F) The Court Reporter shall be the official custodian of all exhibits offered and admitted during the trial of any cause. The same shall be retained by her until otherwise ordered by the Court.

(G) After a Judgment and appeal, or after appeal time has expired without appeal, Counsel for each party shall, upon issuing a receipt to the Court Reporter therefore, obtain return of the exhibits introduced into evidence by such Counsel and cause them to be returned to the owner. In cases of doubtful ownership of the exhibits, Counsel shall bring the matter before the Court for determination.

(H) The plaintiff or movent in any proceedings shall be seated to the left of the Court (adjacent to the jury box).

(I) Any party or their Counsel, who requests a view of the premises or scene, must make a request in writing for such not later than seven (7) days prior to the scheduled date of trial. No requests will be honored if made with less than seven (7) days notice. View requests will be granted only upon a showing to the Court that it will expedite or make the testimony of witnesses more understandable, and that it is necessary in the interest of substantial justice.

Rule 42

Findings of Fact and Conclusions of Law

When a party requests the Court to state its findings of fact separately from its conclusions of law under the provisions of Civil Rule #52, the party requesting such statement shall within five (5) days after receipt of notice of the Court's decision, submit to the Court a statement of proposed findings of fact and conclusions of law and shall serve copies thereof on all opposing parties or their Counsel. Within five (5) days after receipt of such proposed statement of findings of fact and conclusions of law, opposing Counsel shall submit and similarly serve their proposals.

For want of strict compliance with this Rule on the part of the party requesting this statement of findings of fact and conclusions of law, the Court will enter a general finding.

A party moving for dismissal pursuant to Civil Rule #41(B)(2) shall submit to the Court proposed findings of fact and conclusions of law in writing together with his Motion for Dismissal.

Rule 43

Withdrawal of Trial Counsel

A trial Counsel shall not be permitted to withdraw from any action at any time within twenty (20) days in advance of trial or hearing. At other times withdrawal shall be permitted only:

- (A) Upon written application with the written consent of his or her client and the entry of appearance of a substitute trial Counsel, or;
- (B) Upon written application showing a good cause, and service of a copy of this Rule and notice to the client, and upon such terms as the Court shall impose.

If Counsel for a party shall die or formally enter withdrawal from a case, a party shall have fourteen (14) days in which to secure new Counsel. During such time no actions shall be taken in said cause unless the Court shall determine that suspension shall work an injustice to the opposite party. Upon application of the parties, said time may be extended. If a party fails to procure Counsel within fourteen (14) days or fails to request the Court for an extension, all pending actions will be assigned as in any other case, and the case will proceed. In such case, notice of assignment, filed with the Clerk and made a part of the original papers will be deemed notice to the party without Counsel.

Any Counsel formally withdrawing from a case shall advise the party to the action of this rule by furnishing a written copy of such rule to the party.

Rule 44

All requests pursuant to this rule shall be received no later than 4:00 p.m. at least one business day prior to the hearing.

(B) Spectators and others will be seated in the Courtroom on a first come, first serve basis for whom seats are provided behind the rail, and remain there until such time as the Court declares a recess or adjournment. Rule 45

Guidelines for Counsel in Jury Trials

The following guidelines for counsel involved in Jury Trials in this Court are established in the hopes that they will not only enhance the likelihood of a fair trial, but also will permit the trial to run more smoothly.

I. VOIR DIRE EXAMINATION:

During voir dire counsel should not:

(A) Argue the case.

(B) Engage in efforts to indoctrinate, visit with or establish "rapport" with Jurors.

- (C) Question Jurors concerning anticipated instructions or theories of law, or Jurors' "understanding" of various legal principles yet to be explained to them.
- (D) Ask Jurors what kind of verdict they might return under a hypothetical state of facts.
- (E) Seek a pre-commitment from a Juror to a factual or legal proposition that is in issue.

II. CHALLENGES TO JURORS:

All challenges, whether peremptory or for cause, shall be addressed to the Court outside the hearing of the Jury at the bench.

III. OPENING STATEMENTS:

Opening statements of counsel afford an opportunity to explain to the Jury the issues in the case and summarize the facts that counsel expect the evidence will show. Argument in support of the client's case should not be made during opening statements. Counsel may use visual aids such as charts, graphs, maps, photographs, models or other graphic devices, but leave the Court for such use should be first obtained unless the visual aid has, outside the presence of the Jurors, already been admitted into evidence or its use has been approved by stipulation of all counsel.

IV. OBJECTIONS AND TRIAL MOTIONS:

Generally speaking, except when the Court feels it necessary to act sua sponte to prevent a manifest miscarriage of justice, the Court will make rulings on evidentiary and related matters only upon appropriate objection or Motion of counsel. Objections or Motions should be made promptly and should state the basis or grounds for the objection or the nature of the Motion, but without argument unless or until invited by the Court. "Speaking" objections or Motions, that is, objections or Motions in which counsel argue the basis or ground of the objection or Motion, should be avoided. All objections or Motions should be addressed to the Court and at no time should counsel address one another directly except for perfunctory matters of courtesy, such as stating the page and line number of a Deposition to which reference is made. All argument in support of or against an objection or Motion, unless otherwise directed by the Court, should be out of the hearing of the Jury, either in a low voice at the bench or after the Jury has been excused.

V. EXAMINATION OF WITNESSES:

Ordinarily, counsel should remain at or behind the lectern when examining a witness. However, counsel may approach a witness for the purpose of showing a witness a document or other object. Before approaching a witness for any other purpose, counsel

should request permission from the Court. For limited or brief examination, counsel may conduct such examination from his position at counsel's table, but should always stand while conducting examination of the witness or while addressing the Court. Counsel, upon completing examination of the witness, whether on direct or cross, should so state to the Court and the Court will then direct such further examination of the witness as may be appropriate.

VI. RECORD AWARENESS:

Please remember that while all present in the Courtroom may be fully aware of the document or exhibit which you show to a witness and say, "I now hand you this document", and while all present in the Courtroom may understand what the witness means when he points to a drawing and says "I was standing over here", one who subsequently reads the Court Reporter's transcript of the proceedings will have no idea of what was meant by "this document" or "over here" without the exhibit number. Have the witness identify where "over here" is, preferably by an identifiable symbol on the map, chart or drawing, etc.

VII. FINAL ARGUMENT:

Arguments should be limited to matters in evidence and all inferences fairly and reasonably to be drawn from the evidence together with reference to matters of common and every day knowledge. Except where a different procedure may be required in a complex case, the order of argument is (1) Plaintiff's summation; (2) Defendant's summation, including rebuttal of the Plaintiff's summation, and; (3) Plaintiff's rebuttal of Defendant's summation.

While the Court will generally give counsel wide latitude, there are some areas which are improper for argument and which are generally known by experienced trial counsel. While not meant to be an exclusive list, the following are considered by the Court to be improper during closing argument.

- (A) Reading from the Pleadings is not allowed.
- (B) Counsel may not testify in the guise of argument by suggesting that he has personal knowledge of the facts in the case or of matters outside of the evidence, nor should counsel assert his personal belief in the justice of his cause.
- (C) Plaintiff's counsel may not comment on his client's obligation to pay an attorney's fee out of the gross damages awarded by the Jury.
- (D) The Golden Rule Argument – requesting the Jury to put itself in the place of one of the parties and reach a verdict according to how the Jury would wish to be treated in the same position – is improper.
- (E) Personal attack on opposing counsel is to be avoided.

- (F) Argument which in any way attempts to relate to an individual Juror or which attempts to elicit a direct or immediate response from a Juror is improper.
- (G) Any argument which seeks to appeal to sympathy, bias or prejudice, or seeks to inflame the Jury by arousing in them any feeling of hatred or distrust of a party or counsel is improper. The Jury's duty is to fairly and dispassionately consider and weigh the evidence, to decide the disputed issues of fact, and to apply the law to the facts as it finds them from the evidence. It is not the Jury's duty to "send a message" to anyone.
