NOTICE TO CONTRACTOR

Public Notice is hereby given that the Auglaize County will receive sealed bids until 10:00 a.m. local time, November 22, 2022. The bids for the project must be mailed or hand delivered to the Board of County Commissioners, 209 South Blackhoof Street, Room 201, Wapakoneta, Ohio 45895 in the sealed envelope marked "Asbestos Removal for 14274 Moulton-Fort Amanda Rd Project".

Plans and specifications are on file and available at the Auglaize County Commissioners' Office, 209 South Blackhoof Street, Room 201, Wapakoneta, Ohio 45895.

All asbestos removal work shall be completed and ready for final inspection on or before January 31, 2023.

Bidder shall furnish bond as required in Section 153.54 of the Ohio Revised Code.

No Bidders shall be permitted to withdraw his bid for a period of thirty (30) days after the time of opening of bids.

All bids are to be on a form furnished by the Auglaize County and submitted in a sealed envelope with the name of the Bidder and the project noted plainly on the outside.

Bidders are encouraged to inspect the project site prior to bidding on the project. Bidders may schedule visits through Auglaize County. All pre-bid inspections must be completed no later than five (5) days prior to the bid opening.

Auglaize County, Ohio, reserves the right to reject any or all bids.

David Bambauer
President of the BOCC

**IN THE MATTER OF ACCEPTING THE PETITION AND BOND FOR THE DOWTY DITCH PROJECT;
ACCEPTING AN APPLICATION FOR AN EXTENSION TO SAID DITCH PROJECT; FIXING DATE OF
VIEW AND VIEW OF THE AMENDMENT AND HEARING FOR SAME.**

The Board of County Commissioners of Auglaize County, Ohio met in regular session on the 1st day of November, 2022.

Commissioner Spencer moved the adoption of the following:

RESOLUTION

WHEREAS, on October 27, 2022, the Drainage Technician TJ Place filed with the Board of County Commissioners of Auglaize County, Ohio, a petition signed by Ed Doenges and others, as petitioners, to locate the existing tile, replace and install new subsurface tile and catch basins, make lateral connections, install fittings and elbows, removal and disposal of brush, and place erosion control as needed in order to satisfy prayer of the petition. The construction of the improvement is necessary and will be conducive to the public welfare. The following is the course and termini of said improvement, to wit:

MAIN TILE

Commencing with a 24 inch storm sewer to outlet at concrete headwall on south side of Miami & Erie Canal approximately 2,450 feet west of West Ohio Railroad and approximately 4,800 feet north of Waesch Road in the Northeast Quarter of Section 16, St. Marys Township in Auglaize County; Thence south in direction and following the general course of the existing subsurface tile for approximately 1,500 to a point; Thence turning and continuing in an easterly direction and following the general course of the existing subsurface tile for approximately 900 feet to a point; Thence turning continuing in a southeasterly direction and following the general course of the existing subsurface tile for approximately 1,000 feet to a point; Thence turning continuing in a south direction and following the general course of the existing subsurface tile for approximately 1,000 feet along the east side of a woods to a point; Thence turning continuing in a southwesterly direction for approximately 150 feet between two separate wooded areas to a point; Thence turning continuing in a southerly direction and following the general course of the existing subsurface tile for approximately 1,650 feet through Waesch Road to a point; And there to terminate at a point approximately 25 feet south of the centerline of Waesch Road and approximately 850 feet west of West Ohio Railroad where the tile upstream (south) will be connected into the new tile.

Said improvement is to be known as the Dowty Ditch.

All costs of engineering, construction and future maintenance shall all be assessed to the benefitting parcels of ground as described in Section 6131 of the Ohio Revised Code. The exact sizes and location of the tile will be determined at the time of the engineering survey and design between the first and second hearings.

WHEREAS, it appears to said Board that the proper bond has been filed with the petition, approved, conditioned for the payment of costs of notices, plus any other incidental expenses, except the cost made by the Engineer in making his survey, maps, plans, profiles and schedules, if the prayer of the petition is not granted, or if said petition is for any cause dismissed; and,

WHEREAS, the Board of County Commissioners did receive an application for an extension of the Dowty Ditch improvement as filed by Karl Dammeyer with the County Engineer on October 27, 2022.

THEREFORE, BE IT RESOLVED that the Board of County Commissioners, Auglaize County, Ohio, does hereby accept the petition and bond for the Dowty Ditch Project and the application for the extension of the Dowty Ditch Project; setting the 15th day of December, 2022 at 10:30 a.m., local time, meeting on Waesch Road approximately 1,500 ft. west of CR 66A, as the time and place for the view and view the amendment thereon; and,

BE IT FURTHER RESOLVED that the 10th day of January, 2023, at 1:30 p.m., local time, in the Assembly Room - 2nd Floor, Administration Building, 209 S. Blackhoof Street, Wapakoneta, Ohio, be and the same is hereby fixed as the time and place for the first hearing on the petition and amendment; and,

BE IT FURTHER RESOLVED that notice of said view, notice of extension and hearing be given as requested by law.

Commissioner Bergman seconded the Resolution and upon the roll being called, the vote resulted in the adoption of the resolution as follows:

SINGLE COUNTY DITCH PETITION

Revised Code, Secs. 6131.04; 6133.02, .03

To the Board of Auglaize County Commissioners Wapakoneta, Ohio, OCT. 27, 2022

In the Matter of the DOWTY DITCH Single County Ditch;

LOCATE, INSTALL SUBSURFACE TILE and CATCH BASINS, ATTACH and INSTALL LATERALS

Proceedings to: To investigate the feasibility to replace an existing subsurface tile, install catch basins, make connections, and install sub-mains if required. If and when the project has been completed, the landowners shall have the drainage improvements placed on Permanent County Maintenance as per Section 6131 and 6133 of the Ohio Revised Code.

Petitioned for by: **ED DOENGES** and others,

The undersigned hereby makes application to your honorable body for: To locate the existing tile, replace and install new subsurface tile and catch basins, make lateral connections, install fittings and elbows, removal and disposal of brush, and place erosion control as needed in order to satisfy the prayer of the Petition.

The construction of the improvement is necessary, and will be conducive to the public welfare. The following is the course and termini of said improvement, to wit:

MAIN TILE

Commencing with a 24 inch storm sewer to outlet at concrete headwall on south side of Miami & Erie Canal approximately 2,450 feet west of West Ohio Railroad and approximately 4,800 feet north of Waesch Road in the Northeast Quarter of Section 16, St. Marys Township in Auglaize County;

Thence south in direction and following the general course of the existing subsurface tile for approximately 1,500 feet to a point;

Thence turning and continuing in an easterly direction and following the general course of the existing subsurface tile for approximately 900 feet to a point;

Thence turning continuing in a southeasterly direction and following the general course of the existing subsurface tile for approximately 1,000 feet to a point;

Thence turning continuing in a south direction and following the general course of the existing subsurface tile for approximately 1,000 feet along the east side of a woods to a point;

Thence turning continuing in a southwesterly direction for approximately 150 feet between two separate wooded areas to a point;

Thence turning continuing in a southerly direction and following the general course of the existing subsurface tile for approximately 1,650 feet through Waesch Road to a point;

And there to terminate at a point approximately 25 feet south of the centerline of Waesch Road and approximately 850 feet west of West Ohio Railroad where the existing tile upstream (south) will be connected into the new tile.

The exact size(s) or dimensions and location(s) of said ditch construction shall be determined by the Auglaize County Engineer at the time of the Survey and Design of the proposed drainage petition.

All cost of engineering, construction and future maintenance shall be assessed to the benefitting parcels of ground. Exact sizes, depth and location will be determined at the time of the engineering study between the first and second hearings.

A list of names and addresses, where known, of all landowners which the Petitioner claims will be benefitted or damaged by the construction of the proposed improvement is attached.

APPLICATION FOR CHANGE OR EXTENSION OF THE IMPROVEMENT

Revised Code, Secs. 6131.04; 6133.02, .03

To the Board of Auglaize County Commissioners Wapakoneta, Ohio, OCT 27, 2022

In the Matter of the DOWTY DITCH Single County Ditch;

LOCATE, INSTALL SUBSURFACE TILE and CATCH BASINS, ATTACH and INSTALL LATERALS

Proceedings to: To investigate the feasibility to replace an existing subsurface tile, install catch basins, make connections, and install sub-mains if required. If and when the project has been completed, the landowners shall have the drainage improvements placed on Permanent County Maintenance as per Section 6131 and 6133 of the Ohio Revised Code.

Petitioned for by: **ED DOENGES** and others,

The undersigned hereby makes application to your honorable body for: An amendment to the Dowty Ditch Single County Ditch Petition: whereas:

To make an application to the Board of County Commissioners of Auglaize County to add a branch tile to the proposed drainage improvements being currently under county petition to the Dowty Tile Ditch for subsurface drainage improvements, and to place under permanent maintenance, the current petition is currently filed by Ed Doenges;

Said application for an amendment to the current Dowty Ditch petition is as follows:

BRANCH TILE

Commencing with a 15 inch storm sewer to outlet into the Dowty Single County Ditch described MAIN TILE at a point approximately 650 feet north of Waesch Road and approximately 850 feet west of West Ohio Railroad in the Southeast Quarter of Section 16, St. Marys Township in Auglaize County;

Thence southwest in direction and following the general course of the existing subsurface tile for approximately 500 feet to a point;

Thence west in direction and following the general course of the existing subsurface tile for approximately 600 feet to a point;

Thence southwest in direction and following the general course of the existing subsurface tile for approximately 500 feet to a point;

And there to terminate at a point approximately 25 feet south of the centerline of Waesch Road and approximately 2,230 feet west of West Ohio Railroad where the existing tile upstream (south) will be connected into the new tile.

The exact size(s) or dimensions and location(s) of said ditch construction shall be determined by the Auglaize County Engineer at the time of the Survey and Design of the proposed drainage petition.

All costs of engineering, construction, and future maintenance shall be assessed to the benefiting parcels of land as described in Section 6131 of the Ohio Revised Code.

BOND FOR THE DOWTY SINGLE DITCH PETITION
(TO BE FILED WITH THE DITCH PETITION)

Revised Code, Sec. 6131.06

KNOW ALL MEN BY THESE PRESENTS; That we, **ED DOENGES** as principal, and as sureties, are held and firmly bound unto the State of Ohio, in the sum of **FIFTEEN HUNDRED DOLLARS (\$1,500.00)** to the payment of which sum, well and truly to be made, we do hereby jointly and severally bind ourselves, our heirs, executors, and administrators.

Signed by us and dated at Wapakoneta, Ohio, on this

_____ day of _____, 2022.

RECEIVED
OCT 21 2022
Board of
County Commissioners

THE CONDITION OF THE ABOVE OBLIGATION IS SUCH, That, Whereas, on the

_____ day of _____, 2022.

ED DOENGES and others have filed their petition with the Clerk of the County Commissioners

To install subsurface tile, make lateral connections to existing drainage lines, install fittings and elbows, and place catch basins or manholes as required to satisfy the prayer of the petition.

Petitioned for by **ED DOENGES** and others, the following being the course and termini of said proposed improvement, to-wit:

MAIN TILE

Commencing with a 24 inch storm sewer to outlet at concrete headwall on south side of Miami & Erie Canal approximately 2,450 feet west of West Ohio Railroad and approximately 4,800 feet north of Waesch Road in the Northeast Quarter of Section 16, St. Marys Township in Auglaize County;

Thence south in direction and following the general course of the existing subsurface tile for approximately 1,500 feet to a point;

Thence turning and continuing in an easterly direction and following the general course of the existing subsurface tile for approximately 900 feet to a point;

Thence turning continuing in a southeasterly direction and following the general course of the existing subsurface tile for approximately 1,000 feet to a point;

Thence turning continuing in a south direction and following the general course of the existing subsurface tile for approximately 1,000 feet along the east side of a woods to a point;

Thence turning continuing in a southwesterly direction for approximately 150 feet between two separate wooded areas to a point;

Thence turning continuing in a southerly direction and following the general course of the existing subsurface tile for approximately 1,650 feet through Waesch Road to a point;

And there to terminate at a point approximately 25 feet south of the centerline of Waesch Road and approximately 850 feet west of West Ohio Railroad where the existing tile upstream (south) will be connected into the new tile.

The exact size(s) or dimensions and location(s) of said ditch construction shall be determined by the Auglaize County Engineer at the time of the Survey and Design of the proposed drainage petition.

Now, if the said **ED DOENGES** and others, will pay the cost of all notices, plus any other incidental expenses, except the cost made by the Engineer in making his survey, maps, plans, profiles, and schedules, if the prayer of the petition is not granted or if said petition is for any cause dismissed, then this obligation shall be void, otherwise, it shall be and remain in full force and virtue in law.

The above bond is approved this 27th day of October, 2022
