**IN THE MATTER OF FINDING FOR THE IMPROVEMENT OF THE COGAN #2 DITCH PROJECT;
PETITIONED BY DAVID KIEFER AND OTHERS; SETTING DATE TO RECEIVE ENGINEER'S REPORTS
ON SAID PROJECT.**

The Board of Auglaize County Commissioners met in regular session on the 19th of November, 2020.

Commissioner Spencer moved the adoption of the following:

RESOLUTION

WHEREAS, the Board of County Commissioners, in Resolution #20-364, dated September 22, 2020, set November 12, 2020 at 1:30 p.m., for the first hearing of the petition of the Cogan #2 Ditch Project, the Board met in the Assembly Room – 2nd Floor at the Administration Building and conducted the hearing by causing the petition to be publicly read to those present by TJ Place for the County Engineer's Office; and,

WHEREAS, the Board finds that due and legal notice has been given in the manner and for the length of time required by law, to all owners of land affected by said improvement; and,

WHEREAS, the Board has made an actual view of the proposed improvement on October 22, 2020 and has heard either in person or by counsel all evidence offered by any owner of land for or against the granting of the proposed improvement, or for or against the granting of any laterals, branches, spurs, or change of route, course, termini, or manner of construction described in the petition, or any application therefore; and,

WHEREAS, the County Engineer's Preliminary Report has determined that the route and termini of the proposed improvement meets the prayer of the petition and that there are no reasonable alternative routes; and,

WHEREAS, the cost of the proposed improvement is less than the benefits derived.

THEREFORE, BE IT RESOLVED that the Board of County Commissioners, Auglaize County, Ohio, does hereby direct the County Engineer to proceed with the necessary survey for the proposed improvement, perform the necessary engineering calculations, develop the necessary plans for the drainage system and structures including profiles showing the cuttings and gradient of the improvement, create maps showing the location of the land proposed to be assessed and make an estimate of the cost of the construction of the improvement. Then Engineer' Report shall include the actual construction cost estimate, the cost of engineering, and the cost of notices, publication and other incidental expenses; and set proper construction stakes, and perform such other duties as required by Section 6131.14 of the Ohio Revised Code; and,

BE IT FURTHER RESOLVED that the Board does set **April 13, 2021 at 9:30 a.m.** as the date and time for the filing of the above mentioned County Engineer's Reports.
