**Terms and Conditions for Owners Accepting
Downtown Rehabilitation Assistance**

These are the terms and conditions which you as Owner(s) must agree to in order to receive downtown rehabilitation assistance. These terms and conditions will become a part of your Agreement for a grant and/or loan which finances the improvements to your building or property. As Applicant, I (we) agree to:

1. Inspection. I will allow inspection of the property by the Community staff, public building, electrical, plumbing and health department officials and inspectors, and contractors who are bidding on the proposed rehabilitation work.
Inspections will be made before, during and after completion of the rehabilitation work. All inspections will be made by appointment arranged in advance.
2. Bids or Quotes. I will seek competitive bids or quotes from qualified contractors for all the rehabilitation work. Bids or quotes will be requested according to procedures established by the Community and in accordance with applicable federal, state, and local laws.
3. Agreement with Contractor. I agree to enter into an Agreement with the lowest and best bidder, normally to the low bidder. I understand that I may reject, in writing the low bidder in favor of the next highest bidder if, in my opinion, the low bidder does not possess the experience, skill or resources to satisfactorily complete the job, or the ability to proceed in a timely manner, or who has not visited my building, before preparing the bid. I also understand that I may have to pay the difference between the lowest bid/quote and the bid/quote I accept if the Community does not approve the next highest or other than low bidder.
4. Side Agreements. I will refrain from making side agreements with the contractor for work not included in my Agreement with the Contractor, or not included in any written Change Orders approved by the Community until all work under the Agreement is satisfactorily completed. The Community assumes no responsibility for the cost or quality of work not covered by the Agreement or approved Change Orders.
5. Warranties. The Community assumes no responsibility for the cost or quality of work or materials and offers no warranties on either labor or materials. All contractual agreements for work to be performed on private property shall be agreements solely between the property owner and the contractor, with the contractor being required to offer at a minimum a one year warranty on all work and materials. Additional manufacturer's warranties may be applicable. The Community will be held harmless from any resulting litigation or disputes concerning the agreement regardless of the source of payment of funds. By signing the final inspection certificate, the owner assumes all liability for any future deficiencies and/or quality of work or

materials. The Community offers no warranties or guarantees on either work or material quality regardless of the source of funds used to pay for the work/materials.

6. Conflict of Interest. I will not pay any bonus, commission, or fee to anyone for the purpose of obtaining approval of any application for rehabilitation assistance. I will not allow any member of the United States Congress or State government, elected official of the Grantee or Community employee who exercises any functions or responsibilities in connection with the administration of this Downtown Rehabilitation Program to have any interest in or benefit from a rehabilitation grant and/or loan financed under my Agreement.
7. Non-Discrimination. I will not discriminate in the sale, lease, rental use, or occupancy of my property, as required by Title VI of the Civil Rights Act of 1964.
8. Maintenance of the Property. I will make every reasonable effort to keep my property in safe, sound, and habitable condition following completion of the rehabilitation work. I will not demolish this building for at least five years.
9. Hazard Insurance. I will obtain hazard (fire, property, and liability damage) insurance on the property to be rehabilitated in an amount based on its value after rehabilitation.
10. Right to Financial Privacy. The Federal Financial Privacy Act of 1978 guarantees financial confidentiality to persons requesting assistance directly or indirectly from the federal government. To comply with this law, the Community must inform the rehabilitation client that no financial information, which is on file with the Community, will be disclosed or released to another government agency (except the Ohio Development Services Agency (ODSA) and the U.S. Department of Housing and Urban Development (HUD) which may review the file on a monitoring visit) without the prior written consent of the client.
