EXHIBIT A

Based upon the Memorandum in Support of Proof of Claims attached to Claim Number 57, objector, Paul Mastronardi, through his counsel, does not believe The Ohio Greenhouse Company ("Greenhouse") has a claim.

1. No specific claim is stated. This appears to be simply an assertion of a contingency claim. But Greenhouse has already indicated it has no liability for its contingent claim.

2. Neither the Receiver or estate has an agreement indemnifying Greenhouse for any claims asserted by third parties and specifically Section 8 of the Asset Purchase Agreement provides that there are no warranties except as stated therein.

3. Separately, the Department of Labor has filed its own proof of claim (Claim Number 62), which appears to be the basis for the contingency claim.

In sum, it does not appear that Greenhouse has a claim to assert and if it did, there is no basis for indemnification by, or claim against, the Receiver or the receivership estate.
