**IN THE MATTER OF AWARDING BID TO MORTON SALT INC. FOR THE PURCHASE OF SALT TO BE USED BY THE COUNTY HIGHWAY DEPARTMENT; AS RECOMMENDED BY THE COUNTY ENGINEER.**

\*\*\*\*\*

The Board of County Commissioners of Auglaize County, Ohio, met in regular session on the 2<sup>nd</sup> day of October, 2012.

Commissioner Regula moved the adoption of the following

**RESOLUTION**

**WHEREAS**, on September 20, 2012, the Board of County Commissioners received and publicly opened bids for the purchase of salt for the County Highway Department to be used in the upcoming 2012 – 2013 winter season; and,

**WHEREAS**, the bids, as presented, were given to the County Engineer for study and comparison with the Board asking that a bid award recommendation be rendered to said Board; and,

**WHEREAS**, County Engineer, Douglas Reinhart, responded with the following correspondence:  
The low bid for the upcoming 2012-13 winter for road salt was Morton Salt at a bid of \$49.68 per ton delivered to the County Garage, which is a 37% reduction from last years bid. This price is also \$3.10/ton less than ODOT's bid for delivery of salt to Auglaize County's ODOT garage.

The actual price for the salt delivered to the County Garage will vary throughout the winter due to the fuel adjustment clause built into the bidding specifications. As the price of diesel fuel fluctuates, an adjustment will be made based upon the cost of fuel the day of delivery versus fuel prices the date of the bid.

Should there be a problem with Morton meeting delivery needs, I reserve the right to purchase salt from North American Salt, the 2<sup>nd</sup> low bidder @ \$50.58 ton delivered.
