ORDER SUSTAINING
RECEIVER'S MOTION
REGARDING OBJECTIONS
TO CLAIMS

Upon motion of the Receiver, and for good cause shown, the Court modifies its "Journal Entry—Approving Proof of Claim Procedures and Form" and its "Journal Entry—Orders on Notice to Creditors for Filing Proof of Claim Forms by All Creditors", both filed on July 19, 2018, as follows:

1. The deadline of October 2, 2018 for interested persons to file objections to Proofs of Claim remains unchanged, except that that deadline is extended for the Receiver (only).
2. The Receiver is ordered to file a list identifying by claim number those proofs of claim to which he has no objections, and any and all objections by separate document for each proof of claim for those claims to which he objects, on or before October 22, 2018.
3. The Clerk shall post the Receiver's documents referred to in paragraph 2 above on the Court's websites under the tabs concerning objections that have been filed as soon as practicable after their filing.

The Clerk of Courts shall send a copy of this Journal Entry to Receiver and all counsel of record by regular U.S. Mail, and shall post a copy of this Entry on the Court's websites as a separate item under the Mastronardi/Chibante postings.

IT IS SO ORDERED.
