

**LEGAL NOTICE FOR
FABRICATION OF PRESTRESSED BOX BRIDGE BEAMS**

The Board of County Commissioners are accepting sealed bids until 10:00 a.m. on May 5, 2026 for the fabrication of prestressed box bridge beams and providing of DBR-2-73 guardrail. Bridge SAL-210-00.88 on Hesse Road over Hussey Creek in Salem Township requires a successful bidder to fabricate, transport and install prestressed box beams as well as install tie rods, bearing pads, and supply guardrail. The bidder shall meet all specifications listed in the bid documents and complete all work at the lowest cost for all required items. Bids for the bridge project must be mailed or hand delivered to the Board of County Commissioners, 209 South Blackhoof Street, Suite 201, Wapakoneta, Ohio 45895 in a sealed envelope marked "Bid for SAL-210-00.88 Prestressed Box Beams and Bridge Guardrail".

Complete specifications and bid forms can be picked up at the Auglaize County Engineer's Office. The same information can also be found and printed online at <http://www2.auglaizecounty.org/elected-officials/engineer/bidding-opportunities>. Addendums for the bid document, if any, will be posted on the website by noon April 28, 2026. It is the bidder's responsibility to check for any addendums that may have been added.

The Board of Commissioners reserves the right to reject any and or all bids. Bids from non-responsible contractors will be rejected. No bidder can withdraw his bid for a period of thirty (30) days after the time of the bid opening.

By order of the Commissioners,

Andrew J. Baumer P.E., P.S.
Auglaize County Engineer

This announcement will be posted from April 3, 2026 through May 5, 2026
