Commissioner NOONAN moved the adoption of the following:

RESOLUTION

WHEREAS, The Ohio Supreme Court enacted an Administrative Action (hereinafter "Tolling Order") on March 27, 2020 which extends all deadlines, statutes of limitation, and any other time limitation retroactively from March 9, 2020 until July 30, 2020 or until the date on which Ohio's State of Emergency has ended. Additionally, the Ohio General Assembly passed HB 197, wherein all periods of limitations for administrative actions, civil causes of action, statute of limitations, and criminal causes of actions were tolled retroactively from March 9, 2020 until July 30, 2020 or until the date on which Ohio's State of Emergency has ended. The Order and HB 197 both created additional time for administrative time limitations that the Board is otherwise subject to, specifically with regard to Ditch Petition Projects. ORC 6137.03 provides that the maintenance assessment shall be made on or before the first day of July of each year. However, the timeline was extended due to the Tolling Order and HB 197, thus providing an additional three (3) months for the certification of the maintenance assessment. The Board is making the assessment certification on September 10, 2020, and as result, is within the additional three (3) month period allowed by the Ohio Supreme Court and the Ohio General Assembly; and

WHEREAS, Douglas Reinhart, Auglaize County Engineer, is requesting that the Joint Board of Commissioners of Auglaize and Allen County, Ohio, approve the assessments for permanent maintenance on the following ditches; and,

(See attached "Exhibit A")

WHEREAS, Douglas Reinhart, Auglaize County Engineer, recommends that the rates as outlined in the attached, be certified to the Auditors of Auglaize and Allen County so that the amount of assessment for maintenance can be placed on the tax duplicate for the attached listed ditches and,

WHEREAS, the Joint Board concur with the recommendation of the Auglaize County Engineer Douglas Reinhart and hereby orders certification of same.

THEREFORE BE IT RESOLVED, that the Joint Board of County Commissioners Auglaize and Allen County, Ohio, hereby certifies to the Auglaize County Auditor and Allen County Auditor, the attached listed ditches and the amount of assessment for maintenance to be placed on the 2020 tax duplicate to be collected in 2021; and,

BE IT FURTHER RESOLVED, that the Joint Board of County Commissioners hereby finds and determines that all formal actions relative to the adoption of this resolution were taken in open meeting of this Board; and that all deliberations of this Board and of its committees, if any, which resulted in formal action, were taken in meetings open to the public in full compliance with applicable legal requirements, including Section 121.22 of the Revised Code.
