IN THE MATTER OF ACCEPTING THE REDUCTIONS TO THE MAINTENANCE ASSESSMENTS FOR A LANDOWNER FOR THE 2026 TAX DUPLICATE AND AUTHORIZING THE COUNTY AUDITOR TO REDUCE THE CERTAIN LANDOWNER MAINTENANCE ASSESSMENT DUE TO PERFORMING WORK AS A PART OF THE PUBLIC DITCH IMPROVEMENT PROJECT.

The Board of Auglaize County Commissioners met in regular session on the 22nd day of September, 2026.

Commissioner Bambauer moved the adoption of the following:

RESOLUTION

WHEREAS, on September 14, 2026 the Board of Auglaize County Commissioners received a letter from the County Engineer, Andrew Baumer. The County Engineer has received requests for reduction in maintenance assessments per Ohio Revised Code 6137.08. This section of the ORC allows owners to make applications for a reduction in the owner’s maintenance assessment due to performing work as a part of the public ditch improvement. The owner listed below has made requests for reduction of assessments and completed the maintenance work. Therefore, in my opinion, qualify for a reduction in their maintenance assessment for the 2026 tax duplicate, to be reduced on their 2027 taxes; and,

Owner	Parcel ID	Ditch Name (#)	Work completed	Recommended Reduction %	Assessment Remaining to be collected
Ronald Schwartz	F19-031-001-00	Prairie Creek (773)	Level spoil	6%	\$0.00
	F17-030-008-00				
	F17-030-005-04				
	F17-029-006-00				
	F17-029-006-01				
Ronald Schwartz	F17-029-006-03	Grassley-Link (406)	Mowing ditch banks	1%	\$0.00
	F17-029-006-01				
Ronald Schwartz	F17-030-008-00	Prairie Creek Branch #2 (869)	Level spoil	N/A	\$0.00

WHEREAS, please note, Mr. Schwartz did complete the maintenance of mowing and on the Prairie Creek Branch #2, but the fund currently has an adequate balance and a maintenance collection was not recommended for that ditch, therefore, an assessment reduction is not possible for this collection year.

THEREFORE, BE IT RESOLVED that the Board of County Commissioners, Auglaize County, Ohio, does hereby accept the maintenance assessment reductions as requested by the County Engineer, and does support the reductions as mentioned; and,

BE IT FURTHER RESOLVED that the County Auditor is hereby authorized to implement the maintenance assessments reductions as requested above.
