

2022 Auglaize County Health Scorecard

we are working towards a healthier County

PART I - MUST BE COMPLETED BY **JUNE 30, 2022**

Requirements:

Single Coverage

Blood Draw and Biometric Screening Proved by Auglaize County

OR

Have your Family Doctor complete the Biometric or age appropriate preventative screening and sign the form of completion.

Family Coverage

Blood Draw and Biometric Screening Proved by Auglaize County

You and Your Spouse

OR

Must Participate

Have your Family Doctor complete the Biometric or age appropriate preventative screening and sign the form of completion.

PART II

Each Employee has the option to participate in different challenges involving fitness, nutrition, and health. For each challenge completed (maximum of 4 challenges) you will receive \$25 deposited into your Health Savings Account (HSA) or Flexible Savings Account (FSA) on a monthly basis.

These challenges may be completed by you and your spouse if you are on a Family Coverage Plan. The maximum is still \$100. (Example: You can do three challenges, and your spouse can do one) Dependents are not eligible to participate for the incentive, however are encouraged to participate with their parents!
