### ***Pre-Registration Required:***

All semi, agriculture, and tractor tires must be pre-registered to be dropped off.

We will need to know the size and quantity of tires.

Pre-Registration begins August 7th and ends September 22nd

(call 419-394-1270 or 419-394-6721).

*Failure to Pre-Register between these dates results in all prices being doubled.*

Please during any disposal of tires to a business or solid waste district, do not haul more than 10 tires.

*ORC Section 3734: Scrap Tire Transportation Rules*

There will be a sheriff's deputy stationed on site for this event, please adhere to all rules and regulations.
